About Adept4

Adept4 delivers IT as a service to small and medium sized businesses across the UK. IT as a Service (ITaaS) provides you with exactly the amount of technology and support you need in accordance with business requirements, billed on a monthly basis, based on what is consumed.

Critically we underpin this delivery method with a 24 x 7 UK response team, strategic consulting, professional services and software development to provide exactly what organisations need from IT at any given time.

Whether an infrastructure is based on legacy or emerging technologies we will ensure organisations have the flexibility, agility and cost efficiencies required to run their business effectively, all through a single trusted provider.
