22 January 2016

To holders of Ordinary Shares and, for information only, to holders of options or warrants over Ordinary Shares

Dear Shareholder

**Proposed Placing of 108,392,857 Ordinary Shares at a
price of 4.2 pence per new Ordinary Share**

**Proposed Acquisitions of Weston Communications Limited and
Ancar-B Technologies Limited**

**Open Offer of up to 5,918,256 Ordinary Shares
at 4.2 pence per new Ordinary Share**

and

Notice of General Meeting

1. Introduction

The Company announced on 22 January 2016 that it had entered into conditional agreements to acquire Ancar-B and Weston and has conditionally raised funds by way of a placing of 108,392,857 new Ordinary Shares, at a price of 4.2 pence per new Ordinary Share.

The Placing, cornerstoned by MXC Capital, will raise £4.55 million. The Placing Price represents a discount of approximately 54 per cent. to the weighted average closing price over the last 90 days.

In addition, in order to provide Shareholders who have not taken part in the Placing with an opportunity to participate in the proposed issue of new Ordinary Shares, the Company is providing all Qualifying Shareholders with the opportunity to subscribe for an aggregate of up to 5,918,256 new Ordinary Shares, to raise approximately £0.25 million, on the basis of 1 new Ordinary Share for every 10 Existing Ordinary Shares held on the Record Date, at 4.2 pence each (the same price per Ordinary Share as the Placing). Shareholders subscribing for their full entitlement under the Open Offer may also request additional new Ordinary Shares through the Excess Application Facility.

The Open Offer provides Qualifying Shareholders with an opportunity to participate in the proposed issue of the Open Offer Shares on a pre-emptive basis whilst providing the Company with additional capital to invest in the business of the Group.

Certain existing shareholders who are participating in the Placing (including certain of the directors and applicable employees, MXC Capital, Livingbridge and Hargreave Hale) have irrevocably undertaken not to take up their entitlements under the Open Offer to provide those shareholders not participating in the Placing an opportunity to invest at the Placing Price.

The Acquisitions and the Capital Raising are conditional, *inter alia*, on the passing of Resolutions by Shareholders at the General Meeting, notice of which is set out on page 53 of this Circular. If the Resolutions are passed, the New Ordinary Shares will be allotted immediately after the General Meeting and Admission of the New Ordinary Shares is expected to occur at 8.00 a.m. on 11 February 2016. Should Shareholder approval not be obtained at the General Meeting, the Acquisitions and the Capital Raising will not proceed. The Placing and the Open Offer are not underwritten.

The purpose of this document is to explain the background to and reasons for the Acquisitions and the Capital Raising and why the Directors consider the Acquisitions and the Capital Raising to be in the best interests of the Company and its Shareholders as a whole and why the Directors unanimously recommend that you vote in favour of the Resolutions to be proposed at the General Meeting, notice of which is set out at the end of this document.

The contents of this letter are important and I would urge you to read it carefully and to sign and return the enclosed Form of Proxy in accordance with the instructions given on it and in paragraph 17 below headed “Action to be Taken”, as soon as possible.

2. Background and Reasons for the Acquisitions and Capital Raising

On 22 January 2016 the Company announced its results for the year ended 30 September 2015 which show that the business continues to be loss making at both an operational and EBITDA level. As previously stated, turning the Pinnacle business around will take time and although some progress has been made with reducing costs and becoming more focussed both in terms of Pinnacle’s target customer markets and operational focus, this has not yet been sufficient to bring the business back to profitability.

The ongoing cash requirements of the business means that Pinnacle will require further funding in the short-term. However, the Board believes that an opportunity exists to re-focus the business on higher margin services through a buy and build strategy. The market of smaller, sub-scale IT services providers is highly fragmented, providing ample consolidation opportunities in order to become a provider of ‘IT as a service’ to the SME market in the UK. The Board believes that anticipated multiples payable for these smaller companies will typically be lower than those that tend to be paid for larger, more established businesses that have scale and brand awareness. The Acquisitions are the first step in this strategy and create a hub in the North of England which can be utilised for centralised support and other back office functions.

3. Ancar-B Overview and Acquisition Terms

Ancar-B is a provider of IT support services to small and medium-sized enterprises (“SME”), schools and other public sector and charitable organisations in West Yorkshire. The business provides IT support, hosted cloud computing solutions and online management including web and domain hosting, remote backup, anti-spam and disaster recovery. Ancar-B currently has around 315 customers with 59 per cent. of revenues recurring.

For the year ended 31 July 2015, Ancar-B’s unaudited revenues amounted to £2.2 million with a profit before tax of £0.56 million. At 31 July 2015 Ancar-B’s gross assets amounted to £2.2 million. EBITDA for the year to 31 July 2015 amounted £0.58 million.

The Company has entered into a conditional acquisition agreement to acquire the entire issued share capital of Ancar-B for a total consideration of £5.0 million which includes a cash for cash payment of £1.5 million resulting in net consideration of £3.5 million. The consideration is to be satisfied as to £2.75 million in cash and £0.75 million in new Ordinary Shares at the Placing Price. The acquisition of Ancar-B is conditional, *inter alia*, on the Placing being completed.

4. Weston Overview and Acquisition Terms

Weston provides installation, service and support across IT, telecoms and mobile technologies from its head office in Leeds to local businesses and organisations. Weston currently has around 225 customers with 59 per cent. of revenues recurring.

The management accounts for the year to 31 March 2015, show unaudited revenue of £2.87 million and a profit before tax of £0.18 million. At 31 March 2015 Weston's gross assets amounted to £1.03 million. EBITDA for the year to 31 March 2015 amounted £0.22 million.

The Company has entered into a conditional acquisition agreement to acquire the entire issued share capital of Weston for a total consideration of £1.5 million to be satisfied in new Ordinary Shares at the Placing Price. The acquisition of Weston is conditional, *inter alia*, on the Placing being completed.

5. Use of Proceeds

The net proceeds of the Placing are expected to be used to satisfy the cash consideration of Ancar-B, for general working capital purposes and towards potential future acquisition opportunities. Any additional proceeds raised under the Open Offer are also expected to be applied for working capital purposes. The net proceeds of the Placing will, in the opinion of the Directors, provide the Company with sufficient working capital for at least the next 12 months.

6. Lock In Agreements

The vendors of Weston and Ancar-B have undertaken to the Company and N+1 Singer that, subject to certain exceptions, they will not sell or otherwise dispose of, or agree to sell or dispose of, any of their respective interests in the Ordinary Shares held by them and their connected persons at any time during the period of 12 months following Admission. In addition, certain orderly market provisions will apply for a further period of 12 months after expiry of the 12 month lock-in period.

7. Strategy

The Company's strategy is to become a single trusted partner to its customers with outstanding local support and account management. The plan is to use standardisation and self service automation so that customers can select the right solutions and services for them, whilst remaining profitable for Pinnacle. The overall aim is to provide solutions that are deployed either on premise or in hosted and cloud environments without the need to own infrastructure. Pinnacle's value proposition therefore will be focused on aggregated solutions with a single trusted partner managing the customer experience and support.

As part of the integration process following the Acquisitions the Board intends to perform a full review of the business including the possibility of making disposals and potential acquisitions of joint ventures already within the Pinnacle business.

The Board will continue to review future acquisition opportunities in line with its strategy. Particular focus will be given to acquisitions opportunities with £2-5 million revenue, 50-60 per cent. recurring revenues and local office and support centres that can be streamlined. Opportunities in the North of England will be viewed favourably in the short-term because of labour costs and geographical spread of existing business, although in time the aim is to have a national presence.

8. Current Trading

The Company has today announced its full year results for the year ended 30 September 2015 which show an overall loss from operating activities of £1.3 million and resulted in net cash outflow of £747,000 during the year. The Group's balance sheet continues to show the impact of a number of poor acquisitions made in prior years, where loss making businesses were acquired for relatively small consideration but with significant liabilities. The acquisitions have not delivered the returns anticipated at the time of purchase and have consumed funds to repay the inherited net liabilities of the businesses. The work undertaken to rectify these problems has produced a much cleaner and more stable business but one which is currently below critical mass for profitability. Therefore, the Board is firmly of the view that growth by selective acquisition is the correct course of action moving forwards.

9. Management Incentive Arrangements

The Directors believe that the future success of the Company will depend largely on the management and other staff being appropriately motivated and rewarded. An employee share scheme ("ESS") for key management will therefore be put in place post the General Meeting.

Participants in the ESS will be entitled in aggregate to 10 per cent. of future shareholder value generated, which will be calculated by reference to the growth in the market capitalisation of the Company following the General Meeting over a period of 5 years, subject to vesting criteria of a minimum of 40 per cent. shareholder return created, as adjusted for the issue of new Ordinary Shares (but excluding any new Ordinary Shares issued pursuant to the ESS) and taking into account dividends and capital returns, if any.

10. Proposed Board Changes

Nicholas Scallan, Chief Executive Officer, intends to step down from the Board at this year's Annual General Meeting proposed to be held in March 2016. He will remain as Chief Executive Officer until this time. As announced on 7 December 2015, James Dodd will also step down as a non-executive director at the time of the AGM.

Ian Winn has been appointed to the Board as Chief Financial Officer and Chief Operating Officer, effective as of 1 February 2016.

Ian joins from Mobica Limited, a software development and integration services company where he was Finance Director. From 2007 to 2015, Ian was at Accumuli plc, one of the UK's leading independent providers of IT Security and risk management, where he was Finance Director and Chief Operating Officer. Prior to this he held a number of senior financial board positions in a number of service and finance related businesses. Ian is a Chartered Accountant qualifying with KPMG LLP in 1993.

To ensure good corporate governance practice is followed the Board of Directors have determined that Dr Tom Black, Non-Executive Director, will hold the casting vote in the event of a deadlock. The Directors have also determined that once the Company is in a stronger financial position an additional independent non-executive director will be appointed. This appointment will be made at the discretion of the Board in consultation with its major institutional shareholders.

11. Principal terms of the Placing

The Company has conditionally raised £4.55 million by means of the placing of 108,392,857 new Ordinary Shares at the Placing Price. The net proceeds of the Placing will be used to fund the cash consideration for the acquisition of Ancar-B and to provide working capital. A General Meeting is being called to seek Shareholders' approval to grant new authorities to enable the Directors, *inter alia*, to complete the Placing.

The Placing is conditional on (amongst other things):

- (i) Admission becoming effective by no later than 8.00 a.m. on 11 February 2016 or such later time and/or date as N+1 Singer and the Company may agree;
- (ii) passing of all the Resolutions; and
- (iii) the obligations of N+1 Singer under the Placing and Open Offer Agreement not having been terminated before Admission.

All of the Placing Shares have been placed with institutions and other investors and are not, therefore, being offered to existing Shareholders and do not form part of the Open Offer. The Placing Shares will be issued subject to the articles of association of the Company, credited as fully paid and will, upon issue, rank *pari passu* with each other, the Existing Ordinary Shares and the Open Offer Shares in issue following the Capital Raising and will be free of any right of pre-emption, encumbrance, third party right or interest, or other security interest and will be issued with clear legal and beneficial title. The Placing is not being underwritten by N+1 Singer or any other person.

The Company has appointed N+1 Singer as its agent to use its reasonable endeavours to procure subscribers for the Placing Shares at the Placing Price. Further terms of the Placing and Open Offer Agreement are set out in Part V of this Circular.

Application will be made to the London Stock Exchange for the Placing Shares to be admitted to trading on AIM. It is expected that Admission will become effective and that dealings will commence at 8.00 a.m. on 11 February 2016.

12. Principal terms of the Open Offer

Subject to the fulfilment of the conditions set out below and in Part V of this Circular, Qualifying Shareholders are being given the opportunity to subscribe for the Open Offer Shares at a price of 4.2 pence per Open Offer Share (being the Placing Price), *pro rata* to their holdings of Existing Ordinary Shares on the Record Date on the basis of:

1 Open Offer Share for every 10 Existing Ordinary Shares

Qualifying Shareholders are also being given the opportunity, provided that they take up their Open Offer Entitlement in full, to apply for Excess Shares through the Excess Application Facility.

The Open Offer is conditional on:

- (i) passing of the Resolutions; and
- (ii) the Placing and Open Offer Agreement becoming unconditional in all respects (other than Admission) and having not been terminated in accordance with its terms; and
- (iii) Admission of the New Ordinary Shares becoming effective by not later than 8.00 a.m. on 11 February 2016 (or such later time and/or date as N+1 Singer may agree, being not later than 8.00 a.m. on 29 February 2016).

Accordingly, if any of such conditions are not satisfied, or, if applicable, waived, the Open Offer will not proceed.

Assuming full take-up under the Open Offer, the issue of the Open Offer Shares will raise further gross proceeds of approximately £0.25 million for the Company.

The Open Offer Shares will be issued subject to the articles of association of the Company, credited as fully paid and will rank *pari passu* with each other and the Existing Ordinary Shares, and the Placing Shares to be issued pursuant to the Placing, and will be free of any right of pre-emption, encumbrance, third party right or interest or other security interest, and will be issued with clear legal and beneficial title.

Fractions of Open Offer Shares will not be allotted to Qualifying Shareholders in the Open Offer and entitlements under the Open Offer will be rounded down to the nearest whole number of Open Offer Shares. The fractional entitlements will be aggregated and made available under the Excess Application Facility.

Qualifying Shareholders with holdings of Existing Ordinary Shares in both certificated and uncertificated form will be treated as having separate holdings for the purpose of calculating the Open Offer Entitlements.

The Open Offer is not being underwritten by N+1 Singer or any other person.

Excess Application Facility

The Excess Application Facility will enable Qualifying Shareholders, provided that they take up their Open Offer Entitlement in full, to apply for Excess Open Offer Entitlements. Qualifying non-CREST Shareholders who wish to apply to acquire more than their Open Offer Entitlement should complete the relevant sections on the Application Form. Qualifying CREST Shareholders will have Excess CREST Open Offer Entitlements credited to their stock account in CREST and should refer to paragraph 4.2 of Part IV of this Circular for information on how to apply for Excess Shares pursuant to the Excess Application Facility. Applications for Excess Open Offer Entitlements will be satisfied only and to the extent that corresponding applications by other Qualifying Shareholders are not made or are made for less than their Open Offer Entitlements. If applications under the Excess Application Facility are received for more than the total number of Open Offer Shares available following take-up of Open Offer Entitlements, such applications will be scaled back *pro rata* to the number of Excess Shares applied for by Qualifying Shareholders under the Excess Application Facility.

Application will be made for the Open Offer Entitlements and Excess Open Offer Entitlements in respect of Qualifying CREST Shareholders to be admitted to CREST. It is expected that such Open Offer Entitlements and Excess Open Offer Entitlements will be admitted to CREST at 8.00 a.m. on 26 January 2016. Such Open Offer Entitlements and Excess Open Offer Entitlements will also be enabled for settlement in CREST at 8.00 a.m. on 26 January 2016. Applications through the means of the CREST system may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim.

Qualifying non-CREST Shareholders will have received an Application Form with this Circular which sets out their entitlement to Open Offer Shares as shown by the number of Open Offer Entitlements allocated to them. Qualifying CREST Shareholders will receive a credit to their appropriate stock accounts in CREST in respect of their Open Offer Entitlements on 26 January 2016.

Shareholders should note that the Open Offer is not a rights issue. Qualifying CREST Shareholders should note that although the Open Offer Entitlements and Excess Open Offer Entitlements will be admitted to CREST and be enabled for settlement, applications in respect of entitlements under the Open Offer may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim. Qualifying non-CREST Shareholders should note that the Application Form is not a negotiable document and cannot be traded. Qualifying Shareholders should be aware that in the Open Offer, unlike in a rights issue, any Open Offer Shares not applied for will not be sold in the market or placed for the benefit of Qualifying Shareholders who do not apply under the Open Offer. If applications are made for less than all of the Open Offer Shares available, then the lower number of Open Offer Shares will be issued.

Further information on the Open Offer and the terms and conditions on which it is made, including the procedure for application and payment, are set out in Part V of this Circular.

For Qualifying non-CREST Shareholders, completed Application Forms, accompanied by full payment, should be returned either by post to Computershare, Corporate Actions Projects, Bristol, BS99 6AH or by hand (during normal business hours only) to Computershare, The Pavilions, Bridgwater Road, Bristol BS13 8AE so as to arrive as soon as possible and in any event so as to be received no later than 11.00 a.m. on 9 February 2016. For Qualifying CREST Shareholders the relevant CREST instructions must have been settled as explained in this Circular by no later than 11.00 a.m. on 9 February 2016.

13. Other information relating to the Acquisitions and the Capital Raising

The Acquisitions and the Capital Raising will result in the issue of in total 167,882,542 new Ordinary Shares, assuming full take up under the Open Offer (representing, in aggregate, approximately 74 per cent. of the Enlarged Share Capital). The New Ordinary Shares, when issued subject to the articles of association of the Company and credited as fully paid, will rank *pari passu* in all respects with the Existing Ordinary Shares and therefore rank equally for all dividends or other distributions declared, made or paid after the date of issue of the new Ordinary Shares. The New Ordinary Shares will be issued free of any right of pre-emption, encumbrance, third party right or interest or other security interest with clear legal and beneficial title.

Following the issue of the New Ordinary Shares, Qualifying Shareholders who do not take up any of their entitlements in respect of the Open Offer will experience dilution of approximately 74 per cent. to their interests in the Company because of the Acquisitions and the Capital Raising.

Application will be made to the London Stock Exchange for the New Ordinary Shares to be admitted to trading on AIM. It is expected that Admission will become effective on 11 February 2016 and that dealings in the New Ordinary Shares will commence at 8.00 a.m. on 11 February 2016.

14. Enterprise Investment Scheme and Venture Capital Trusts

A summary of the principal terms of the Placing and Open Offer Agreement is set out in Part V of this Circular. Investors should not consider that any of the reliefs under the EIS and VCT regimes will be available to them in respect of any new Ordinary Shares to be issued under the Placing and the Open Offer.

15. Directors' Interests, Significant Shareholders and Related Party Transactions

Ian Winn, proposed Chief Financial Officer and Chief Operating Officer, who is due to join the Board on 1 February 2016 has subscribed for £60,000 at the Placing Price. Following Admission, Mr. Winn will be beneficially interested in 1,428,571 Ordinary Shares, representing 0.6 per cent. of the Enlarged Share Capital.

Insofar as has been notified to the Company, the following persons hold, as at the date of this document, and are expected to hold immediately following Admission, directly or indirectly, 3 per cent. or more of the Enlarged Share Capital:

***assuming the Open Offer is taken up in full

The participation in the Placing by MXC Capital, a substantial shareholder in the Company, constitutes a related party transaction for the purposes of the AIM Rules. The independent directors, James Dodd, Tom Black, Nicholas Scallan and Simon Duckworth, having consulted with the Company's nominated adviser, N+1 Singer, consider that the terms of the related party transaction are fair and reasonable insofar as shareholders are concerned.

The participation in the Placing by Livingbridge, a substantial shareholder in the Company, constitutes a related party transaction for the purposes of the AIM Rules. The independent directors, Gavin Lyons, James Dodd, Tom Black, Nicholas Scallan and Simon Duckworth, having consulted with the Company's nominated adviser, N+1 Singer, considers that the terms of the related party transaction are fair and reasonable insofar as shareholders are concerned.

16. General Meeting

The Company currently does not have sufficient authorities in place under section 551 and section 570 of the Act to allot Ordinary Shares pursuant to the Acquisitions, the Placing and the Open Offer and to dis-apply pre-emption rights in respect of such allotments. Accordingly, the Directors are seeking authority at the General Meeting to allot Ordinary Shares on a non pre-emptive basis to implement the Acquisitions, the Placing and the Open Offer.

Notice of the General Meeting is set out at the end of this document. The General Meeting will be held at the offices of DAC Beachcroft LLP, 100 Fetter Lane, EC4A 1BN on 10 February 2016 at 10.00 a.m.

Shareholders have the right to attend, speak and vote at the General Meeting (or, if they are not attending the meeting, to appoint someone else as their proxy to vote on their behalf) if they are on the Register at the close of business on 8 February 2016. Changes to entries in the Register after this time will be disregarded in determining the rights of any person to attend and/or vote at the General Meeting. If the General Meeting is adjourned, only those Shareholders on the Register 48 hours before the time of the adjourned General Meeting (excluding any part of a day that is not a Business Day) will be entitled to attend, speak and vote or to appoint a proxy.

In addition, a Form of Proxy for use at the General Meeting is enclosed with this document (see paragraph 17 below headed "Action to be Taken").

The number of Ordinary Shares a Shareholder holds as at the Voting Record Time will determine how many votes a Shareholder or his proxy will have in the event of a poll.

Explanation of the Resolutions to be proposed at the General Meeting

The notice convening the General Meeting sets out the Resolutions to be proposed at the General Meeting. An explanation of these Resolutions is set out below:

Authority to allot Consideration Shares, Placing Shares and Open Offer Shares (Resolution 1)

Resolution 1 would give the directors the authority to allot Ordinary Shares for the purposes of, *inter alia*, the Acquisitions and Capital Raising up to an aggregate nominal value of £1,619,642.86. In addition, the directors are seeking a general authority to allot Ordinary Shares up to an aggregate nominal value of £756,883.67 representing approximately one third of the Enlarged Share Capital. This authority, if granted, would expire 15 months from the date upon which the resolution is passed or at the conclusion of the Company's 2016 Annual General Meeting, whichever is sooner.

Disapplication of pre-emption rights for the issue of the Consideration Shares, Placing Shares and Open Offer Shares (Resolution 2)

Under the Act, when Ordinary Shares are allotted for cash, they must generally first be offered to existing shareholders *pro rata* to their holdings. This special resolution which is conditional upon the passing of Resolution 1 gives the Directors authority, for the period ending on the expiry of the authorities granted under Resolution 1, to allot Ordinary Shares for cash on a non pre-emptive basis for the purposes of, *inter alia*, the Acquisitions and Capital Raising up to an aggregate nominal amount of £1,619,642.86 and to allot further Ordinary Shares for cash on a non pre-emptive basis up to an aggregate nominal amount of £227,065.10, representing approximately 10 per cent. of Enlarged Share Capital.

17. Action to be taken

General Meeting

Shareholders will find enclosed with this document a Form of Proxy for use at the General Meeting. Whether or not you intend to attend the General Meeting you are strongly encouraged to complete, sign and return the Form or Proxy in accordance with the instructions printed on it to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6AH as soon as possible, and in any event so as to arrive no later than 10.00 a.m. on 8 February 2016 (or, in the case of an adjournment of the General Meeting, not later than 48 hours before the time fixed for the holding of the adjourned meeting (excluding any part of a day that is not a Business Day)).

If you hold your Ordinary Shares in CREST you may appoint a proxy using the CREST proxy appointment service by following the instructions in notes 8 to 11 to the Notice of General Meeting. The completion and return of a Form of Proxy or the electronic appointment of a proxy will not preclude Shareholders from attending the General Meeting and voting in person should they so wish.

Open Offer

Qualifying non-CREST Shareholders

If you are a Qualifying non-CREST Shareholder you will have received an Application Form which gives details of your entitlement under the Open Offer (as shown by the number of Open Offer Entitlements allocated to you). If you wish to apply for Open Offer Shares under the Open Offer (whether in respect of your Open Offer Entitlement or both your Open Offer Entitlement and any Excess Open Offer Entitlements), you should complete the accompanying Application Form in accordance with the procedure for application set out in paragraph 4 of Part IV of this Circular and on the Application Form itself.

Qualifying CREST Shareholders

If you are a Qualifying CREST Shareholder and do not hold any Ordinary Shares in certificated form, no Application Form accompanies this Circular and you will receive a credit to your appropriate stock account in CREST in respect of the Open Offer Entitlements representing your entitlement under the Open Offer except (subject to certain exceptions) if you are an Overseas Shareholder who has a registered address in, or is a resident in or a citizen of an Excluded Territory. Applications by Qualifying CREST Shareholders for Excess Open Offer Entitlements in excess of their Open Offer Entitlements should be made in accordance with the procedures set out in paragraph 4 of Part IV of this Circular, unless you are an Overseas Shareholder in which event, applications should be made in accordance with the procedures set out in paragraph 6 of Part IV of this Circular.

The latest time for applications under the Open Offer to be received is 11.00 a.m. on 9 February 2016. The procedure for application and payment depends on whether, at the time at which application and payment is made, you have an Application Form in respect of your entitlement under the Open Offer or have Open Offer Entitlements credited to your stock account in CREST in respect of such entitlement. The procedures for application and payment are set out in Part IV of this Circular.

Qualifying CREST Shareholders who are CREST sponsored members should refer to their CREST sponsors regarding the action to be taken in connection with this Circular and the Open Offer.

18. Overseas Shareholders

Information for Overseas Shareholders who have registered addresses outside the United Kingdom or who are citizens or residents of countries other than the United Kingdom appears in paragraph 6 of Part IV of this Circular, which sets out the restrictions applicable to such persons. If you are an Overseas Shareholder, it is important that you read that part of this Circular.

19. Additional Information

Your attention is drawn to the additional information set out in Part V of this Circular.

20. Recommendation

If the Resolutions are not passed by Shareholders the Acquisitions, the Placing and the Open Offer will not proceed. In these circumstances, unless financing is available from other sources, the Directors believe that the Company would not be able to trade as a going concern for a prolonged period and therefore they would be required to take steps to protect the interests of creditors, shareholders and other interested stakeholders which would likely mean disposing of the assets where possible and returning any cash to Shareholders.

Your Board believes the Acquisitions and the Capital Raising to be in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors unanimously recommend you to vote in favour of the Resolutions to be proposed at the General Meeting as they intend to do in respect of their holdings, amounting, in aggregate, to 9,592,980 Ordinary Shares, representing 16.2 per cent. of the existing issued share capital of the Company.

Yours faithfully

Gavin Lyons
Executive Chairman

PART II

RISK FACTORS

An investment in Ordinary Shares involves a high degree of risk. Accordingly, prospective investors and Shareholders should carefully consider the risks set out below before making a decision to invest in the Company. The investment offered in this document may not be suitable for all of its recipients. Potential investors and Shareholders are accordingly advised to consult a professional adviser authorised under FSMA who specialises in advising on the acquisition of shares and other securities before making any investment decision. A prospective investor and Shareholders should consider carefully whether an investment in the Company is suitable in the light of his or her personal circumstances and the financial resources available to him or her.

Prospective investors and Shareholders should carefully consider the risks described below before making a decision to invest in the Company. This Part II contains what the Directors believe to be the principal risk factors associated with an investment in the Company. However, the risks listed do not purport to be an exhaustive summary of the risks affecting the Group and are not set out in any particular order of priority. Additional risks and uncertainties not currently known to the Directors or which the Directors currently deem immaterial may also have an adverse effect on the Group. In particular, the Company's performance may be affected by changes in market or economic conditions and in legal, regulatory and tax requirements.

If any of the following risks were to materialise, the Company's business, financial conditions, results or future operations could be materially adversely affected. In such cases, the market price of the Company's shares could decline and an investor may lose part or all of his or her investment. This document contains forward-looking statements that involve risks and uncertainties. The Company's actual results could differ materially from those anticipated in the forward-looking statements as a result of many factors, including the risks faced by the Company which are described below and elsewhere in this document. Prospective investors and Shareholders should carefully consider the other information in this document.

There can be no certainty that the Company will be able to successfully implement its strategy. Additional risks and uncertainties not currently known to the Directors or which the Directors currently deem immaterial may also have an adverse effect on the Company. An investment in the Company may not be suitable for all recipients of this document. Investors are accordingly advised to consult an independent financial adviser authorised or exempt under the Investment Intermediaries Act 1995 of Ireland or an authorised investment firm within the meaning of the European Communities (Markets in Financial Instruments) Regulations 2007 and in the case of UK resident shareholders, an independent financial adviser who is authorised to carry on a regulated activity under the Financial Services and Markets Act 2000 of the UK) who specialises in advising upon the acquisition of shares and other securities before making a decision to invest.

1. Risks relating to the Acquisitions

The Acquisitions may not complete

Completion of the Acquisitions is subject to the approval of the Resolutions by Shareholders at the General Meeting and Admission. If Shareholders do not approve the Resolutions at the General Meeting, the Acquisitions will not complete.

The ability of the Company to identify and complete further suitable acquisitions

The Company's strategy will be dependent on its ability to successfully identify and integrate complementary acquisitions into its existing business. Although the Directors believe there are attractive acquisition opportunities in the Group's core markets, there can be no guarantee that the Company will succeed in identifying acquisitions in line with its strategy. The Group may be unable to identify targets at valuations that the Board believes will deliver sufficient returns for Shareholders. Even if the Company successfully identifies targets the process remains subject to execution risk and there is no guarantee that acquisitions will complete. Inability to identify and complete further acquisitions may have an adverse effect on the returns generated for Shareholders.

The ability of the Group to successfully integrate the Acquisitions and increase the valuation of any other businesses acquired

There can be no assurance that the Board will be able to successfully integrate the Acquisitions into the existing business. Issues may arise following the Acquisitions which prevent the full realisation of benefits arising from the Acquisitions which may include, without limitation, expected cost savings and synergies. Failure to fully realise these benefits could be detrimental to the operating results and financial condition of the Group.

The Group's acquisition strategy may also be affected by factors such as economic and market conditions that could impact the strategic fit and rationale of any acquisitions and therefore make the Group's operating strategies difficult to implement. Any failure to implement these strategies successfully and/or the failure of these strategies to deliver the anticipated benefits for the underlying business and the Group's interest therein could have a material adverse effect on the Group's results of operations and could result in the Company failing to achieve its target return for Shareholders.

2. Risks relating to the Group and its business

Service Delivery

The Group provides an essential service to an extensive client base many of whom rely on the provision of that service in order to run their businesses. Any diminution in the level of service could have serious consequences for customer acquisition and retention, and therefore on the Group's business, operation and financial position.

Key Suppliers

The Group is dependent on suppliers for the continued operation of its business. The most significant of which are those for electricity, core and access bandwidth, servers, physical space, IP addresses, software licenses, equipment, maintenance and the delivery of calls and access from licensed fixed line and mobile operators. A failure of one or more suppliers to provide services to the Group could severely impact or inhibit the Group from providing services to its clients, and thereby having an adverse effect on the Group's business, operational and financial position.

Technology

The Group operates in a fast developing technology market and certain technologies, including hardware and software, which exist today may well be obsolete faster than expected in the future. This would have a negative impact on the Group, which would be exposed to higher costs or lower margins, not necessarily recoverable from its clients.

Competition

A deteriorating financial climate might cause buying decisions to move more in the direction of a price-based sale compared to a value-based sale. Competitive threats exist by nature of operating in the technology market, the number of competitors in the market and the ease of market entrance.

There is a risk that larger more highly capitalised competitors may pose a threat to the Company's ability to win new business or to maintain its current client base. Competitors with greater resources, financial and or technological, may win business which the Company might expect to retain or receive.

Litigation

Whilst the Group takes precautions to avoid or minimise the likelihood of any legal proceedings or claims, the Directors cannot preclude the possibility of litigation being brought against the Group.

There can be no assurance that claimants in any litigation proceedings will not be able to devote substantially greater financial resources to any litigation proceedings or that the Group will prevail in any such litigation. Any litigation, whether or not determined in the Group's favour or settled by the Group, may be costly and may divert the efforts and attention of the Group's management and other personnel from normal business operations.

As reported previously, on 31 March 2014 Pinnacle became aware that a third party was engaging in business solicitation activity which was in contravention of prior contractual agreements. That activity was immediately addressed by court proceedings which resulted in certain interim orders and undertakings being granted in court on 4 April 2014 to protect Pinnacle's interests. Pinnacle has secured an as yet undefined award of costs in its favour in relation to both court actions and which the Group is now pursuing as far as reasonably possible towards full recovery.

Reliance on key systems and equipment

The Group's business relies on various key systems and equipment, including software and hardware. If the Group's access to or use of these systems was restricted or terminated for whatever reason, including system or equipment failure, the Group would have to incur expense sourcing suitable replacement and/or alternative systems, time deploying or restoring the equipment or service; time in relation to staff training; customer dis-satisfaction, loss and/or compensation and damages; all of which could have an adverse effect on the Group's business, operation and financial position.

Dependence on key executives and personnel

The Group's development and prospects are dependent upon the continued services and performance of its Directors, senior management and other key personnel. The loss of the services of any of the Directors, senior management or key personnel or a substantial number of talented employees or key consultants, could cause disruption or the loss of experience, skills or customer relationships of such personnel, which could have a material adverse effect on the Group's business, financial condition and results of operations.

Ability to recruit and retain skilled personnel

The Group believes that it has the appropriate incentivisation structures to attract and retain the calibre of employees necessary to ensure the efficient management and development of the Group. However, any difficulties encountered in retaining or hiring appropriate employees and the failure to do so may have a detrimental effect upon the trading performance of the Group. The ability to attract new employees with the appropriate expertise and skills cannot be guaranteed.

Malicious Activity and Data Protection

The Group operates in the technology sector and, as a result, has information assets that could be compromised, disrupted or lost as a result of malicious activity. This could severely impact or inhibit the Group from providing services to its clients; this could result in the loss of or make public client or Pinnacle confidential information; could cause Pinnacle reputational damage, and in all cases thereby having an adverse effect on the Group's business, operational and financial position.

Banking and Capital

The Group is dependent on its bankers and financial suppliers for the provision of general banking services, including credit and the BACS payment system. In the event of the Group's bankers withdrawing their facilities from the Group, or suffering a failure of their own services, the Group's business, operational and financial position would be adversely impacted. The Group's cash resources are finite and its borrowing facilities are limited. Although the group carefully manages its ongoing administrative expenses, there is no guarantee that the Group will achieve monthly profitability (before the amortisation of intangibles). A deterioration in the working capital position of the business could have an adverse impact on the Group's business, operational and financial position. It may be desirable for the Company to raise additional capital by way of the further issue of Ordinary Shares to enable the Company to progress through further stages of development. Any additional equity financing may be dilutive to shareholders.

Bad Debts

The customer base is mainly made up of SME customers, who are one of the groups most impacted during economic downturns and/or tightening of general credit availability. Although the Group has not experienced any material lift in bad debt, that does not mean that there will not be an increase in the future, with subsequent adverse impact on the Group's business, financial and operational position.

Sales and Marketing

The Group is reliant on effective sales and marketing to maintain its existing clients and to grow. A failure or underperformance on sales and marketing would adversely impact the Group's business, financial and operational position.

Regulatory Compliance

The Group provides services, some of which are in regulated markets. The Group must maintain compliance to any applicable regulations. The regulated services may also be affected by price increases or decreases. In either instance there is therefore the risk of an adverse impact on the Group's business, financial and operational position.

3. General risks

The Existing Ordinary Shares are traded on AIM rather than the main market of the London Stock Exchange. AIM is a market designed primarily for emerging or smaller companies and, accordingly, an investment in shares traded on AIM may carry a higher risk than an investment in shares listed on the Official List of the UK Listing Authority and traded on the main market of the London Stock Exchange.

An investment in the Group is only suitable for investors capable of evaluating the risks and merits of such investment and who have sufficient resources to bear any loss which may result. A prospective investor should consider with care whether an investment in the Group is suitable for him in the light of his personal circumstances and the financial resources available to him.

Investment in the Group should not be regarded as short-term in nature. There can be no guarantee that any appreciation in the value of the Group's investments will occur or that the investment objectives of the Group will be achieved. Investors may not get back the full amount initially invested, especially as the market in New Ordinary Shares on AIM may have limited liquidity.

The prices of shares and any income derived from them can go down as well as up. Past performance is not necessarily a guide to the future.

Changes in economic conditions including, for example, interest rates, rates of inflation, industry conditions, competition, political and diplomatic events and trends, tax laws and other factors in each of the territories in which it operates can substantially and adversely affect equity investments and the Group's prospects.

4. Risks relating to the Open Offer

Shareholders will experience dilution in their ownership of the Company

Securities laws of certain jurisdictions may restrict the Company's ability to allow participation by Overseas Shareholders in the Open Offer. In particular, holders of Ordinary Shares who are located in the US may not be able to exercise their pre-emption rights unless a registration statement under the Securities Act is effective with respect to such rights or an exemption from the registration requirements is available thereunder. The Open Offer will not be registered under the Securities Act.

Overseas Shareholders may not be eligible to participate in the Open Offer

Securities laws of certain jurisdictions may restrict the Company's ability to allow participation by Overseas Shareholders in the Open Offer. In particular, holders of Ordinary Shares who are located in the US may not be able to exercise their pre-emption rights unless a registration statement under the Securities Act is effective with respect to such rights or an exemption from the registration requirements is available thereunder. The Open Offer will not be registered under the Securities Act.

Securities laws of certain other jurisdictions may restrict the Company's ability to allow participation by Shareholders in such jurisdictions in any future issue of shares carried out by the Company.

Qualifying Shareholders who have a registered address in or who are resident in, or who are citizens of, countries other than Ireland and the UK should consult their professional advisers as to whether they require any governmental or other consents or need to observe any formalities to enable them to apply for and/or receive new Ordinary Shares.

PART III

SOME QUESTIONS AND ANSWERS ABOUT THE PLACING AND THE OPEN OFFER

The questions and answers set out in this Part III of this Circular are intended to be in general terms only and, as such, you should read Part IV of this Circular for full details of what action you should take. If you are in any doubt as to what action you should take, you are recommended to seek your own personal financial advice immediately from your stockbroker, bank, fund manager, solicitor, accountant or other appropriate independent financial adviser, who is authorised under the FSMA if you are resident in the United Kingdom, or, if not, from another appropriately authorised independent financial adviser.

This Part III deals with general questions relating to the Placing and the Open Offer and more specific questions relating principally to the Existing Ordinary Shares held by persons resident in the United Kingdom who hold their Existing Ordinary Shares in certificated form only. If you are an Overseas Shareholder, you should read paragraph 6 of Part IV of this Circular and you should take professional advice as to whether you are eligible and/or you need to observe any formalities to enable you to take up your Open Offer Entitlements or apply for Excess Shares pursuant to the Excess Application Facility. If you hold your Existing Ordinary Shares in uncertificated form (that is, through CREST) you should read Part IV of this Circular for full details of what action you should take. If you are a CREST sponsored member, you should also consult your CREST sponsor.

The contents of this Circular should not be construed as legal, business, accounting, tax, investment or other professional advice. Each prospective investor should consult his, her or its own appropriate professional advisers for advice. This Circular is for your information only and nothing in this Circular is intended to endorse or recommend a particular course of action.

1. What is an open offer?

An open offer is a way for companies to raise money. Companies may do this by giving their existing shareholders a right to acquire further shares at a fixed price in proportion to their existing shareholdings (the open offer) and providing for new investors to acquire any shares not bought by the company's existing shareholders (the placing). The fixed price is normally at a discount to the market price of the existing ordinary shares prior to the announcement of the placing and the open offer.

This Open Offer is an invitation by the Company to Qualifying Shareholders to apply to acquire an aggregate of up to 5,918,256 Open Offer Shares at a price of 4.2 pence per new Ordinary Share. If you hold Existing Ordinary Shares (provided that you hold 10 or more such shares) on the Record Date or have a *bona fide* market claim, other than, subject to certain exceptions, where you are a Shareholder with a registered address or located in the United States or another Excluded Territory, you will be entitled to apply for Open Offer Shares under the Open Offer.

The Open Offer is being made on the basis of 1 Open Offer Share for every 10 Existing Ordinary Shares held by Qualifying Shareholders on the Record Date. If your entitlement to Open Offer Shares is not a whole number, you will not be entitled to apply for an Open Offer Share in respect of any fraction of an Existing Ordinary Share and your entitlement will be rounded down to the nearest whole number. The resulting fractions of New Ordinary Shares will be aggregated and made available under the Excess Application Facility.

Open Offer Shares are being offered to Qualifying Shareholders in the Open Offer at a price equal to the Placing Price. The Placing Price of 4.2 pence per Open Offer Share represents a discount of approximately 54 per cent. to the weighted average closing price over the last 90 days. Considering this discount, and while the market value of an Existing Ordinary Share exceeds the Placing Price, the right to subscribe for Open Offer Shares is potentially valuable.

Applications by Qualifying Shareholders will be satisfied in full up to the amount of their individual Open Offer Entitlement. Qualifying Shareholders are also being given the opportunity, provided that they take up their Open Offer Entitlement in full, to apply for Excess Shares through the Excess Application Facility.

If applications under the Excess Application Facility are received for more than the total number of Open Offer Shares available following take-up of Open Offer Entitlements, such applications will be scaled back *pro rata* to the number of Excess Shares applied for by Qualifying Shareholders under the Excess Application Facility.

The number of available Open Offer Shares under the Excess Application Facility is dependent on the level of take-up of Open Offer Entitlements. Assuming that there is no Overseas Shareholder who has a registered address in, or is a resident in or a citizen of an Excluded Territory, and if every Qualifying Shareholder takes up their Open Offer Entitlements in full there will be no Open Offer Shares available under the Excess Application Facility.

Qualifying Shareholders should be aware that the Open Offer is not a rights issue. As such, Qualifying non-CREST Shareholders should also note that their Application Forms are not negotiable documents and cannot be traded. Qualifying CREST Shareholders should note that, although the Open Offer Entitlements and the Excess CREST Open Offer Entitlements will be admitted to CREST, they will have limited settlement capabilities (for the purposes of market claims only), and neither the Open Offer Entitlements nor the Excess CREST Open Offer Entitlements will be tradable or listed, and applications in respect of the Open Offer may only be made by the Qualifying Shareholders originally entitled or by a person entitled by virtue of a *bona fide* market claim.

2. What is a placing? Am I eligible to participate in the Placing?

A placing is where specific investors procured by a company's agents agree to acquire placed shares. The Placing Shares to be issued to Placees as part of the Capital Raising have been placed firm and are not being offered to Qualifying Shareholders and therefore do not form part of the Open Offer.

Unless you are a Placee, you will not participate in the Placing.

3. I hold my Existing Ordinary Shares in certificated form. How do I know whether I am able to acquire Open Offer Shares under the Open Offer?

If you receive an Application Form and, subject to certain exceptions, are not a holder with a registered address in or located in the United States or another Excluded Territory, then you should be eligible to acquire Open Offer Shares under the Open Offer, as long as you have not sold all of your Existing Ordinary Shares before close of business on 22 January 2016 (the time when the Existing Ordinary Shares are expected to be marked "ex-entitlement" by the London Stock Exchange).

4. I hold my Existing Ordinary Shares in certificated form. How do I know how many Open Offer Shares I am entitled to take up?

If you hold your Existing Ordinary Shares in certificated form and, subject to certain exceptions, do not have a registered address and are not located in the United States or another Excluded Territory, you have been sent an Application Form that shows:

- how many Existing Ordinary Shares you held at close of business on 21 January 2016 (the Record Date for the Open Offer);
- how many Open Offer Shares are comprised in your Open Offer Entitlement; and
- how much you need to pay if you want to take up your right to buy all your entitlement to the Open Offer Shares.

Subject to certain exceptions, if you have a registered address in the United States or one of the Excluded Territories, you will not receive an Application Form.

If you would like to apply for any of, all of or more than the Open Offer Shares comprised in your Open Offer Entitlement you should complete the Application Form in accordance with the instructions printed on it and the information provided in this Circular. Please return the completed form in the reply-paid envelope provided with the Application Form along with a cheque or banker's draft for the number of Open Offer Shares you want to apply for and allow at least four Business Days for delivery if sent by first class post from within the United Kingdom. Please also see questions 5 and 11 for further help in completing the Application Form.

5. I am a Qualifying Shareholder with a registered address in the UK and I hold my Existing Ordinary Shares in certificated form. What are my choices in relation to the Open Offer and what should I do with the Application Form?

5.1 If you want to take up all of your Open Offer Entitlement

If you want to take up all of the Open Offer Shares to which you are entitled, all you need to do is complete Boxes F and G on the Application Form, sign and send the Application Form, together with your cheque or banker's draft for the amount (as indicated in Box C of your Application Form), payable to CIS PLC re Pinnacle Technology Group PLC Open Offer and crossed "A/C payee only", by post to Computershare, Corporate Actions Projects, Bristol BS99 6AH or by hand (during normal business hours only) to Computershare, The Pavilions, Bridgwater Road, Bristol BS13 8AE to arrive by no later than 11 a.m. on 9 February 2016, after which time the Application Form will not be valid. Within the United Kingdom only, you can use the accompanying reply-paid envelope. You should allow at least four Business Days for delivery if using first-class post within the United Kingdom. If posting from outside the United Kingdom, postage will be payable when using the reply-paid envelope.

Full instructions are set out in the Application Form. A definitive share certificate will then be sent to you for the Open Offer Shares that you take up. Your definitive share certificate for Open Offer Shares is expected to be despatched to you by no later than 25 February 2016.

5.2 If you want to take up some but not all of your Open Offer Entitlement

If you want to take up some but not all of the Open Offer Shares to which you are entitled, you should write the number of Open Offer Shares you want to take up in Box D of your Application Form; for example, if you are entitled to take up 100 shares but you only want to take up 50 shares, then you should write '50' in Box D.

To work out how much you need to pay for the Open Offer Shares, you need to multiply the number of Open Offer Shares you want (in this example '50') by 4.2p, which is the price in pounds of each Open Offer Share (giving you an amount of £2.10 in this example). You should write this amount in Box G, rounding down to the nearest whole penny and this should be the amount your cheque or banker's draft is made out for. You should then sign and return your Application Form together with your cheque or banker's draft for that amount, payable to CIS PLC re Pinnacle Technology Group plc Open Offer and crossed "A/C payee only", by post to Computershare, Corporate Actions Projects, Bristol BS99 6AH, or by hand (during normal business hours only) to Computershare, The Pavilions, Bridgwater Road, Bristol BS13 8AE, to arrive by no later than 11.00 a.m. on 9 February 2016, after which time the Application Form will not be valid. Within the United Kingdom only, you can use the accompanying reply-paid envelope. You should allow at least four Business Days for delivery if using first-class post or the reply-paid envelope within the United Kingdom. If posting from outside the United Kingdom, postage will be payable when using the reply-paid envelope. Full instructions are set out in Part III of this Circular and will be set out in the Application Form.

A definitive share certificate will then be sent to you for the Open Offer Shares that you take up. Your definitive share certificate for Open Offer Shares is expected to be despatched to you by no later than 25 February 2016.

5.3 If you want to apply for more than your Open Offer Entitlement

Provided that you have agreed to take up your Open Offer Entitlement in full, you can apply for further Open Offer Shares using the Excess Application Facility. You should write the number of Open Offer Shares you wish to take up, in Box D which must be the number of Open Offer Shares shown in Box B. You should then write the number of Open Offer Shares you wish to apply for under the Excess Application Facility in Box E and then complete Box F by adding together the numbers you have entered in Boxes D and E.

To work out how much you need to pay for the Open Offer Shares, you need to multiply the number of Open Offer Shares shown in Box F by 4.2p, which is the price in pounds of each Open Offer Share. You should write this amount in Box G, rounding down to the nearest whole penny. You should then return your Application Form together with your cheque or banker's draft for that amount, payable to CIS PLC re Pinnacle Technology Group PLC Open Offer and crossed "A/C payee only", by post to Computershare, Corporate Actions Projects, Bristol, BS99 6AH, or by hand (during normal business

hours only) to Computershare, The Pavilions , Bridgwater Road, Bristol BS13 8AE, to arrive by no later than 11.00 a.m. on 9 February 2016, after which time the Application Form will not be valid. Within the United Kingdom only, you can use the accompanying reply-paid envelope. You should allow at least four Business Days for delivery if using first-class post or the reply-paid envelope within the United Kingdom. If posting from outside the United Kingdom, postage will be payable when using the reply-paid envelope. Full instructions are set out in the Application Form.

If applications under the Excess Application Facility are received for more than the total number of Open Offer Shares available following take-up of Open Offer Entitlements, such applications will be scaled back *pro rata* to the number of Excess Shares applied for by Qualifying Shareholders under the Excess Application Facility. Therefore, applications under the Excess Application Facility may not be satisfied in full. In this event Qualifying Shareholders will receive a pounds sterling amount equal to the number of Open Offer Shares applied and paid for by, but not allocated to, the relevant Qualifying Shareholder, multiplied by the Placing Price. Monies will be returned as soon as reasonably practicable, without payment of interest and at the Applicant's sole risk.

A definitive share certificate will be sent to you for the Open Offer Shares that you take up and otherwise successfully apply for using the Excess Application Facility. Your definitive share certificate for Open Offer Shares is expected to be despatched to you by no later than 25 February 2016.

5.4 If you do not want to take up your Open Offer Entitlement

If you do not want to take up the Open Offer Shares to which you are entitled, you do not need to do anything. In these circumstances, you will not receive any Open Offer Shares. You will also not receive any money when the Open Offer Shares you could have taken up are placed, as would happen under a rights issue.

If you do take up your Open Offer Entitlement in full, your interest in the Company will be diluted by approximately 74 per cent. as a result of the Acquisitions and the Capital Raising.

6. I hold my Existing Ordinary Shares in uncertificated form in CREST. What do I need to do in relation to the Open Offer?

CREST members should follow the instructions set out in Part IV of this Circular. Persons who hold Existing Ordinary Shares through a CREST member should be informed by such CREST member of the number of Open Offer Shares they are entitled to take up or apply for under their Open Offer Entitlement and their Excess CREST Open Offer Entitlement respectively, and should contact their CREST member should they not receive this information.

7. I acquired my Existing Ordinary Shares prior to the Record Date and hold my Existing Ordinary Shares in certificated form. What if I do not receive an Application Form or I have lost my Application Form?

If you do not receive an Application Form but hold your Existing Ordinary Shares in certificated form, this probably means that you are not able to acquire Open Offer Shares under the Open Offer. Some Qualifying non-CREST Shareholders, however, will not receive an Application Form but may still be eligible to acquire new Ordinary Shares under the Open Offer, namely:

- Qualifying CREST Shareholders who held their Existing Ordinary Shares in uncertificated form on 21 January 2016 and who have converted them to certificated form prior to 4.30 p.m. on 3 February 2016;
- Shareholders who bought Existing Ordinary Shares before 22 January 2016 and who hold such ordinary shares in certificated form but were not registered as the holders of those shares at the close of business on 21 January 2016; and
- certain Overseas Shareholders.

If you do not receive an Application Form but think that you should have received one or you have lost your Application Form, please contact the Shareholder helpline on 0370 707 1017, if calling from within the UK, or on +44 370 707 1017, if calling from outside the UK. The Shareholder Helpline is open 9.00 a.m. to

5.30 p.m. (London time) Monday to Friday. Calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Issue nor give any financial, legal, business, tax or investment advice.

8. If I buy Existing Ordinary Shares after the Record Date will I be eligible to participate in the Open Offer?

If you bought Existing Ordinary Shares after the Record Date you are unlikely to be able to participate in the Open Offer, as the Existing Ordinary Shares are expected to start trading ex-entitlement on the London Stock Exchange at 8.00 a.m. on 22 January 2016.

If you are in any doubt, please consult your stockbroker, bank or other appropriate financial adviser, or whoever arranged your share purchase, to ensure you claim your entitlement.

If you buy Existing Ordinary Shares at or after 8.00 a.m. on 22 January 2016, you will not be eligible to participate in the Open Offer in respect of those Existing Ordinary Shares.

9. What if I change my mind?

Once you have sent your Application Form and payment to the Receiving Agent, you cannot withdraw your application or change the number of Open Offer Shares you have applied for.

10. What if the number of Open Offer Shares to which I am entitled is not a whole number? Am I entitled to fractions of Open Offer Shares?

Your entitlement to Open Offer Shares will be calculated at the Record Date. If the result is not a whole number, you will not receive an Open Offer Share in respect of the fraction of each Existing Ordinary Share and your entitlement will be rounded down to the nearest whole number. The resulting fractions of New Ordinary Shares will be aggregated and made available under the Excess Application Facility.

11. I hold my Existing Ordinary Shares in certificated form. What should I do if I want to spend more or less than the amount set out in Box C of the Application Form?

If you want to spend more than the amount set out in Box C you should divide the amount you want to spend by 4.2 pence (being the price in pounds of each Open Offer Share under the Open Offer). This will give you the number of Open Offer Shares for which you should apply. You can only apply for a whole number of Open Offer Shares. For example, if you want to spend £10 you should divide £10 by £0.042, which comes to 238.10. You should round that down to 238 to give you the number of Open Offer Shares for which, in this example, you can apply without exceeding your chosen amount. Write the total number of Open Offer Shares (in this example 238) in Box F. To get an accurate amount to put on your cheque or banker's draft, you should multiply the whole number of Open Offer Shares you want to apply for (238) by £0.042 and then fill in that amount rounded down to the nearest whole penny (in this example being £9.99), in Box G and on your cheque or banker's draft accordingly.

You should note that the number of available Open Offer Shares under the Excess Application Facility is dependent on the level of take-up of Open Offer Entitlements. If applications are received for more than the available number of Open Offer Shares, applications made under the Excess Application Facility will be scaled back *pro rata* to the number of Excess Shares applied for by Qualifying Shareholders. Assuming that there are no Overseas Shareholders who have registered addresses in, or are residents in or citizens of an Excluded Territory, and if every Qualifying Shareholder takes up their Open Offer Entitlements in full there will be no Open Offer Shares available under the Excess Application Facility. Qualifying non-CREST Shareholders whose applications under the Excess Application Facility are so scaled back will receive a pounds sterling amount equal to the number of Open Offer Shares applied and paid for by, but not allocated to, them multiplied by the Placing Price. Monies will be returned as soon as reasonably practicable, without payment of interest and at the Applicant's sole risk.

If you want to spend less than the amount set out in Box C, you should divide the amount you want to spend by £0.042 (being the price, in pounds, of each Open Offer Share under the Open Offer). This will give you the number of Open Offer Shares you should apply for. You can only apply for a whole number of Open

Offer Shares. For example, if you want to spend £10 you should divide £10 by £0.042. You should round that down to the nearest whole number (in this example, 238), to give you the number of shares you want to take up. Write that number (in this example, 238) in Box F. Then to get an accurate amount to put on your cheque or banker's draft, you should multiply the whole number of Open Offer Shares you want to apply for (in this example, 238) by 4.2 pence and then fill in that amount rounded down to the nearest whole penny (in this example being £9.99) in Box G and on your cheque or banker's draft accordingly.

12. I hold my Existing Ordinary Shares in certificated form. What should I do if I have sold some or all of my Existing Ordinary Shares?

If you hold shares in the Company directly and you sell some or all of your Existing Ordinary Shares, by 8.00 a.m. on 22 January 2016 you should contact the buyer or the person/company through whom you sell your shares. The buyer may be entitled to apply for Open Offer Shares under the Open Offer. If you sell any of your Existing Ordinary Shares after 8.00 a.m. on 22 January 2016, you may still take up and apply for the Open Offer Shares as set out on your Application Form.

13. I hold my Existing Shares in certificated form. How do I pay?

You should return your Application Form with a cheque or banker's draft drawn in pounds sterling on a UK bank or building society account in the accompanying reply-paid envelope (from within the United Kingdom). You should allow at least four Business Days for delivery if using first-class post within the United Kingdom. Cheques should be drawn on a personal account of the Qualifying Shareholder who is applying for the Open Offer Shares or you may be required to supply additional documentation to satisfy Money Laundering Regulations. The funds should be made payable to CIS PLC re Pinnacle Technology Group PLC Open Offer. In each case, the cheque should be crossed "A/C Payee only". Payments via CHAPS, BACS or electronic transfer will not be accepted.

14. Will the Existing Ordinary Shares that I hold now be affected by the Open Offer?

If you decide not to apply for any of the Open Offer Shares to which you are entitled under the Open Offer, or only apply for some of your entitlement, your proportionate ownership and voting interest in the Company will be reduced.

15. I hold my Existing Ordinary Shares in certificated form. Where do I send my Application Form?

You should send your completed Application Form and monies in the accompanying reply-paid envelope (from within the United Kingdom) by post to: Computershare Investor Services PLC, Corporate Actions Projects, Bristol BS99 6AH, or by hand (during normal business hours only) to Computershare at The Pavilions, Bridgwater Road, Bristol BS13 8AE. You should allow at least four Business Days for delivery if using first class post within the United Kingdom.

If you do not want to take up or apply for Open Offer Shares then you need take no further action.

16. I hold my Existing Ordinary Shares in certificated form. When do I have to decide whether I want to apply for Open Offer Shares?

The Receiving Agent must receive your completed Application Form and cheque or banker's draft by 11.00 a.m. on 9 February 2016. You should allow at least four Business Days for delivery if using first-class post or the reply-paid envelope included with the Application Form, within the United Kingdom.

17. I hold my Existing Ordinary Shares in certificated form. If I take up my entitlements, when will I receive the certificate representing my Open Offer Shares?

It is expected that the Registrar will post all new share certificates by 25 February 2016.

18. What should I do if I think my holding of Existing Ordinary Shares (as shown in Box A on page 1 of the Application Form) is incorrect?

If you bought or sold Existing Ordinary Shares shortly before the Record Date, your transaction may not have been entered on the register of members before the Record Date for the Open Offer. If you bought Existing Ordinary Shares before close of business on 21 January 2016 but were not registered as the holder of those shares on the Record Date for the Open Offer (21 January 2016), you may still be eligible to participate in the Open Offer. If you are in any doubt, please contact your stockbroker, bank or other appropriate financial adviser, or whoever arranged your share purchase, to ensure that you claim your entitlement. You will not be entitled to Open Offer Entitlements in respect of any Existing Ordinary Shares acquired on or after 22 January 2016.

19. Will the Placing and the Open Offer affect dividends on the Existing Ordinary Shares?

The New Ordinary Shares will, when issued and fully paid, rank equally in all respects with Existing Ordinary Shares, including the right to receive all dividends or other distributions made, paid or declared, if any, by reference to a record date after the date of their issue.

20. What should I do if I live outside the United Kingdom?

Your ability to apply to acquire Open Offer Shares may be affected by the laws of the country in which you live and you should take professional advice as to whether you require any governmental or other consents or need to observe any other formalities to enable you to take up your Open Offer Entitlement. Shareholders with registered addresses or who are located in the United States or another Excluded Territory are, subject to certain exceptions, not eligible to participate in the Open Offer. Your attention is drawn to the information in paragraph 6 of Part IV of this Circular.

21. How do I transfer my entitlements into the CREST system?

If you are a Qualifying non-CREST Shareholder, but are a CREST member and want your Open Offer Shares to be in uncertificated form, you would complete the CREST deposit form (Box O on page 4 of the Application Form), and ensure they are delivered to CCSS to be received by 3.00 p.m. on 4 February 2016 at the latest. CREST sponsored members should arrange for their CREST sponsors to do this.

If you have transferred your rights into the CREST system, you should refer to Part III of this Circular for details on how to pay for the Open Offer Shares.

22. Do I need to comply with the Money Laundering Regulations (as set out in paragraph 5 of Part IV of this Circular)?

If you are a Qualifying non-CREST Shareholder, you do not need to follow these procedures if the value of the Open Offer Shares you are acquiring is less than €15,000 (or its pounds sterling equivalent) or if you pay for them by a cheque drawn on an account in your own name and that account is one which is held with an EU or United Kingdom regulated bank or building society. If you are a Qualifying CREST Shareholder, you will not generally need to comply with the Money Laundering Regulations unless you apply to take up all or some of your entitlement to Open Offer Entitlements as agent for one or more persons and you are not an EU or United Kingdom regulated financial institution.

Qualifying non-CREST Shareholders should refer to paragraph 5.1 of Part IV of this Circular and Qualifying CREST Shareholders should refer to paragraph 5.2 of Part IV of this Circular for a fuller description of the requirements of the Money Laundering Regulations.

23. Further assistance

Should you require further assistance please call the Shareholder Helpline on 0370 707 1017, if calling from within the UK, or on +44 370 707 1017, if calling from outside the UK. The Shareholder Helpline is open 9.00 a.m. to 5.30 p.m. (London time) Monday to Friday. Calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Issue nor give any financial, legal, business, tax or investment advice.

PART IV

TERMS AND CONDITIONS OF THE OPEN OFFER

Open Offer of up to 5,918,256 new Ordinary Shares at a price of 4.2 pence per Open Offer Share

1. Introduction

As explained in Part I of this Circular, the Company is proposing to issue up to 5,918,256 New Ordinary Shares pursuant to the Open Offer to raise up to £0.25 million, net of expenses and assuming a full take up under the Open Offer. Upon completion of the Open Offer, assuming a full take up under the Open Offer, the Open Offer Shares will represent approximately 2.6 per cent. of the Enlarged Share Capital (assuming a full take up under the Open Offer). Qualifying Shareholders are being offered the opportunity under the Open Offer to acquire new Ordinary Shares at the Placing Price, being the same price per share as they are being offered to Placees under the Placing. The Placing Shares have been placed with institutional and other investors at the Placing Price and are not being offered to Shareholders and do not form part of the Open Offer. A summary of the Placing and Open Offer Agreement is set out in paragraph 5 of Part V of this Circular.

The Placing Price of the new Ordinary Shares represents a discount of approximately 54 per cent. to the weighted average closing price over the last 90 days.

This Circular and, where relevant, the accompanying Application Form contain the formal terms and conditions of the Open Offer.

2. The Open Offer

Subject to the terms and conditions set out below and, where relevant, in the Application Form, the Company hereby invites Qualifying Shareholders to apply for Open Offer Shares at the Placing Price, payable in full in cash on application, free of all expenses, on the basis of:

- (a) 1 Open Offer Share for every 10 Existing Ordinary Shares held by them and registered in their names at the close of business on the Record Date and so in proportion for any other number of Existing Ordinary Shares then held; and
- (b) further Open Offer Shares in excess of their Open Offer Entitlement through the Excess Application Facility (although such Open Offer Shares will only be allotted to the extent that not all Qualifying Shareholders apply for their Open Offer Entitlement in full).

Holdings of Existing Ordinary Shares in both certificated and uncertificated form will be treated as separate holdings for the purpose of calculating entitlements under the Open Offer.

Fractions of New Ordinary Shares will not be allocated to Qualifying Shareholders and entitlements to apply for Open Offer Shares will be rounded down to the nearest whole number of New Ordinary Shares. New Ordinary Shares representing the aggregate of fractional entitlements will be made available under the Excess Application Facility.

Qualifying Shareholders may apply for any whole number of New Ordinary Shares up to their Open Offer Entitlement, which, in the case of Qualifying non-CREST Shareholders, is equal to the number of Open Offer Entitlements as shown on their Application Form or, in the case of Qualifying CREST Shareholders, is equal to the number of Open Offer Entitlements standing to the credit of their stock account in CREST and, if they so wish, may apply for Open Offer Shares in excess of their Open Offer Entitlement. Accordingly, applications in excess of the Open Offer Entitlements will only be satisfied to the extent that applications made by other Qualifying Shareholders are for less than their full Open Offer Entitlement and may therefore be scaled down *pro rata* to the number of Excess Shares applied for under the Open Offer, or otherwise at the absolute discretion of the Company. Any monies paid for applications in excess of their Open Offer Entitlements which are not so satisfied will be returned to the Applicant without interest within 14 days by way of cheque or CREST payment, as appropriate. The action to be taken in relation to the Open Offer depends on whether, at the time at which application and payment is made, you have an Application Form in respect of your entitlement under the Open Offer or have Open Offer Entitlements credited to your stock account in CREST in respect of such entitlement.

Not all Shareholders will be Qualifying Shareholders. Overseas Shareholders who are located in, or who are citizens of, or have a registered address in certain overseas jurisdictions (including, without limitation, any Excluded Territory) will not qualify to participate in the Open Offer. The attention of Overseas Shareholders or any person (including, without limitation, a custodian, nominee or trustee) who has a contractual or other legal obligation to forward this Circular into a jurisdiction other than the United Kingdom is drawn to paragraph 6 of this Part IV.

If you have received an Application Form with this Circular please refer to paragraph 4 of this Part IV.

If you hold your Existing Ordinary Shares in CREST and have received a credit of Open Offer Entitlements to your CREST stock account, please refer to paragraph 4 of this Part IV and also to the CREST Manual for further information on the CREST procedures referred to below.

The Open Offer Shares will be issued, subject to the articles of association of the Company, credited as fully paid and will be identical to, and rank *pari passu* in all respects with, the Existing Ordinary Shares and the new Ordinary Shares to be issued pursuant to the Placing and will rank for all dividends or other distributions declared, made or paid after the date of issue of the Open Offer Shares. No temporary documents of title will be issued. The Open Offer Shares will be issued free of any right of pre-emption, encumbrance, third party right or interest or other security interest.

Application will be made to the London Stock Exchange for the Open Offer Shares and the Placing Shares to be admitted to trading on AIM. It is expected that Admission will become effective on 11 February 2016 and that dealings for normal settlement in the New Ordinary Shares will commence at 8.00 a.m. on 11 February 2016. It is expected that the results of the Placing and the Open Offer will be announced by 8.00 a.m. on 10 February 2016.

Shareholders should be aware that the Open Offer is not a rights issue. Entitlements to Open Offer Shares will neither be tradeable nor sold in the market for the benefit of Qualifying Shareholders who do not apply for them in the Open Offer.

Qualifying CREST Shareholders should note that although the Open Offer Entitlements and Excess Open Offer Entitlements will be admitted to CREST and be enabled for settlement, applications in respect of entitlements under the Open Offer may only be made by the Qualifying CREST Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim raised by Euroclear's Claims Processing Unit. Qualifying non-CREST Shareholders should note that the Application Form is not a negotiable document and cannot be traded.

Before making any decision to acquire Open Offer Shares, you are asked to read and carefully consider all of the information in this Circular, including in particular the important information set out in the letter from the Chairman of the Company in Part I of this Circular, as well as this paragraph 2 of this Part IV and the Risk Factors set out in Part II of this Circular. Shareholders who do not participate in the Open Offer will be subject to a more substantial dilution of their existing shareholdings in the Company. The material terms of the Open Offer are contained in paragraph 6 of Part I of this Circular.

3. Conditions of the Open Offer

The Open Offer is conditional, *inter alia*, upon:

- (a) the passing of the Resolutions;
- (b) the Placing and Open Offer Agreement becoming unconditional in all respects (other than Admission) and having not been terminated in accordance with its terms; and
- (c) Admission of the New Ordinary Shares becoming effective by not later than 8.00 a.m. on 11 February 2016 (or such later time and/or date as N+1 Singer may agree, being not later than 8.00 a.m. on 29 February 2016).

Further details of the Placing and Open Offer Agreement are set out in paragraph 4 of Part V of this Circular. Further terms of the Open Offer are set out in this Part IV and in the Application Form.

If the Placing and Open Offer Agreement does not become unconditional in all respects by 8.00 a.m. on 11 February 2016 (or such later time and/or date as N+1 Singer may agree, being not later than 8.00 a.m. on 29 February 2016) or if it is terminated in accordance with its terms, the Open Offer will be revoked and will not proceed. Revocation cannot occur after dealings in the Placing Shares and Open Offer Shares have begun.

4. Procedure for application and payment

Save as provided in paragraph 6 of this Part IV in relation to Overseas Shareholders, the action to be taken by you in respect of the Open Offer depends on whether at the relevant time you have an Application Form in respect of your Open Offer Entitlements, including the Excess Application Facility, or you have Open Offer Entitlements and Excess Open Offer Entitlements credited to your CREST account in respect of such entitlements.

Qualifying Shareholders who hold part of their Existing Ordinary Shares in uncertificated form on the Record Date will be allotted Open Offer Shares in uncertificated form to the extent that their entitlement to Open Offer Shares arises as a result of holding Existing Ordinary Shares in uncertificated form. Further information on deposit into CREST is set out in paragraph 4.2 of this Part IV.

CREST sponsored members should refer to their CREST sponsor, as only their CREST sponsor will be able to take the necessary action specified below to apply under the Open Offer in respect of the Open Offer Entitlements and Excess CREST Open Offer Entitlements of such members held in CREST. CREST members who wish to apply under the Open Offer in respect of their Open Offer Entitlements in CREST should refer to the CREST manual for further information on the CREST procedures referred to below.

4.1 Action to be taken if you have an Application Form in respect of your entitlement under the Open Offer

(a) General

Each Qualifying non-CREST Shareholder will have received an Application Form accompanying this Circular. The Application Form shows the number of Existing Ordinary Shares registered in the relevant Qualifying non-CREST Shareholder's name at the close of business on the Record Date. It also shows the number of Open Offer Shares for which such relevant Qualifying non-CREST Shareholder is entitled to apply under the Open Offer, calculated on the basis set out in paragraph 2 above. Qualifying non-CREST Shareholders may also apply for less than their maximum Open Offer Entitlements.

The Excess Application Facility enables Qualifying Shareholders who have taken up their full Open Offer Entitlement to apply for Open Offer Shares in excess of their Open Offer Entitlement. Applications in excess of the Open Offer Entitlement will only be satisfied to the extent that applications made by other Qualifying Shareholders are less than their full Open Offer Entitlements and may therefore be scaled down.

Fractions (if any) of Open Offer Shares will be made available under the Excess Application Facility. The instructions and other terms which are set out in the Application Form constitute part of the terms of the Open Offer.

(b) Procedure for application

Applications for Open Offer Shares (including under the Excess Application Facility) by Qualifying non-CREST Shareholders may only be made on the Application Form, which is personal to the Qualifying non-CREST Shareholder(s) named on it and is not capable of being split, assigned or transferred except in the circumstances described below.

Qualifying non-CREST Shareholders may also apply for Excess Shares in excess of their *pro rata* entitlement to Open Offer Shares by completing Boxes E and F of the Application Form for the total number of Open Offer Shares for which they wish to make application (including their *pro rata* entitlement) and submitting the amount payable on such application. Further details on the Excess Application Facility are set out in paragraph 2 of this Part IV.

A Qualifying non-CREST Shareholder who does not wish to apply for any of the Open Offer Shares to which he or she is entitled should not return a completed Application Form to the Receiving Agents. **However, he or she is strongly encouraged to still complete and return the Form of Proxy to the Registrars.**

The Application Form represents a right personal to the Qualifying non-CREST Shareholder to apply to subscribe for Open Offer Shares (including under the Excess Application Facility); it is not a document of title and it cannot be traded. It is assignable or transferable only to satisfy *bona fide* market claims in relation to purchases in the market pursuant to the rules and regulations of the London Stock Exchange. Application Forms may be split up to 3.00 p.m. on 5 February 2016 but only to satisfy such *bona fide* market claims. Qualifying non-CREST Shareholders who have before the 'ex' date sold or transferred all or part of their shareholdings are advised to consult their stockbroker, bank or agent through whom the sale or transfer was effected or another professional adviser authorised under the FSMA as soon as possible, since the invitation to apply for Open Offer Shares (including under the Excess Application Facility) may represent a benefit which can be claimed from them by the purchaser(s) or transferee(s) under the rules of the London Stock Exchange.

Qualifying non-CREST Shareholders who submit a valid application using the Application Form and accompanying payment will (subject to the terms and conditions set out in this Part IV, in the letter from the Chairman of the Company in Part I and in the Application Form) be allocated the Open Offer Shares applied for in full at the Placing Price (subject to the Company's discretion to accept, reject or scale back any application for any Open Offer Shares).

Applications will be irrevocable and, once submitted, may not be withdrawn and their receipt will not be acknowledged. The Company reserves the right to treat any application not strictly complying with the terms and conditions of application as nevertheless valid.

The Company may in its sole discretion, but shall not be obliged to, treat an Application Form as valid and binding on the person by whom or on whose behalf it is lodged, even if not completed in accordance with the relevant instructions or not accompanied by a valid power of attorney where required, or if it otherwise does not strictly comply with the terms and conditions of the Open Offer. The Company further reserves the right (but shall not be obliged) to accept either:

- (i) Application Forms received after 11.00 a.m. on 5 February 2016; or
- (ii) applications in respect of which remittances are received before 11.00 a.m. on 9 February 2016 from authorised persons (as defined in FSMA) specifying the Open Offer Shares applied for and undertaking to lodge the Application Form in due course but, in any event, within two Business Days.

Multiple applications will not be accepted. All documents and remittances sent by post by or to an Applicant (or as the Applicant may direct) will be sent at the Applicant's own risk.

If Open Offer Shares have already been allotted to a Qualifying non-CREST Shareholder and such Qualifying non-CREST Shareholder's cheque or banker's draft is not honoured upon first presentation or such Qualifying non-CREST Shareholder's application is subsequently otherwise deemed to be invalid, the Company shall arrange (in its absolute discretion as to manner, timing and terms) to make arrangements for the sale of such Qualifying non-CREST Shareholder's Open Offer Shares and for the proceeds of sale (which for these purposes shall be deemed to be payments in respect of successful applications) to be paid to and retained by the Company. None of the Registrar, the Company or any other person shall be responsible for, or have any liability for, any loss, expense or damage suffered by such Qualifying non-CREST Shareholders.

If you are a Qualifying non-CREST Shareholder and wish to apply for all or part of the Open Offer Shares to which you are entitled (including any application for any Excess Shares under the Excess Application Facility) you should complete and sign the Application Form in accordance with the instructions printed on it and return it, either by post to Computershare, Corporate Actions Projects, Bristol BS99 6AH or by hand (during normal business hours only) to Computershare, The Pavilions, Bridgwater Road, Bristol BS13 8AE, together with a pounds sterling cheque or banker's draft to the value of the Open Offer Shares applied for on the Application Form, as soon as practicable and, in any event, so as to be received not later than 11.00 a.m. on 9 February 2016, after which time Application

Forms will not be accepted. The cheque or banker's draft must be drawn on a United Kingdom branch of a qualifying bank or building society, as further described below. Your Application Form will not be valid unless you sign it. If you post your Application Form by first class post in the UK, or in the accompanying reply-paid envelope, you are advised to allow at least four Business Days for delivery.

The Company reserves the right (but shall not be obliged) to accept applications in respect of which remittances are received prior to 11.00 a.m. on 9 February 2016 from an authorised person (as defined in the FSMA) specifying the Open Offer Shares concerned and undertaking to lodge the relevant Application Form in due course.

(c) *Payments*

Cheques must be drawn on the personal account to which you have sole or joint title to the funds. Your cheque or banker's draft should be made payable to CIS PLC re Pinnacle Technology Group PLC Open Offer and crossed "A/C Payee only". Payments must be made by cheque or banker's draft in pounds sterling drawn on an account at a branch (which must be in the United Kingdom, the Channel Islands or the Isle of Man) of a bank or building society which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker's drafts to be cleared through facilities provided by either of these companies and must bear the appropriate sorting code in the top right-hand corner. Third party cheques may not be accepted with the exception of building society cheques or banker's drafts where the building society or bank has confirmed on the back of the building society cheque or banker's draft the name of the account holder (which must be the same name as printed on the Application Form) and their title to funds by stamping and endorsing the building society cheque/banker's draft to such effect. Any application or purported application may be rejected unless these requirements are fulfilled. Post-dated cheques will not be accepted.

Cheques or banker's drafts will be presented for payment upon receipt. The Company reserves the right to instruct the Receiving Agent to seek special clearance of cheques and banker's drafts to allow the Company to obtain value for remittances at the earliest opportunity (and withhold definitive share certificates (or crediting to the relevant member account, as applicable) pending clearance thereof). No interest will be paid on payments made before they are due. It is a term of the Open Offer that cheques shall be honoured on first presentation and the Company may elect to treat as invalid applications in respect of which cheques are not so honoured. All documents, cheques and banker's drafts sent through the post will be sent at the risk of the sender. Payments via CHAPS, BACS or electronic transfer will not be accepted.

If cheques or banker's drafts are presented for payment before the conditions of the Open Offer are fulfilled, the application monies will be credited to a non-interest bearing account by the Receiving Agent. If the Open Offer does not become unconditional, no Open Offer Shares will be issued and all monies will be returned (at the Applicant's sole risk), without payment of interest, to Applicants as soon as practicable following the lapse of the Open Offer.

The Company shall as soon as practicable following 9 February 2016 refund any payment received with respect to an application for a number of Open Offer Shares in respect of an Open Offer Entitlement which has been rejected in whole or in part by the Company.

(d) *The Excess Application Facility*

The Excess Application Facility enables Qualifying Shareholders who have taken up their Open Offer Entitlement to apply for Open Offer Shares.

Qualifying non-CREST Shareholders who wish to apply for Open Offer Shares in excess of their Open Offer Entitlement must complete the Application Form in accordance with the instructions set out on the Application Form.

Should the Open Offer become unconditional and applications for Open Offer Shares exceed the 5,918,256 Open Offer Shares being made available to Qualifying Shareholders as a result of applications made in respect of the Excess Application Facility, resulting in a scaling back of applications, each Qualifying non-CREST Shareholder who has made a valid application for Open Offer Shares under the Excess Application Facility and from whom payment in full for such Open Offer Shares

has been received in cleared funds will receive a pounds sterling amount equal to the number of Open Offer Shares applied and paid for under the Excess Application Facility but not allocated to the relevant Qualifying non-CREST Shareholder multiplied by the Placing Price. Monies will be returned as soon as reasonably practicable, without payment of interest and at the Applicant's sole risk.

Fractions of Open Offer Shares will not be issued under the Excess Application Facility and fractions of Open Offer Shares will be rounded down to the nearest whole number.

(e) *Effect of application*

By completing and delivering an Application Form you (as the Applicant(s)):

- (i) agree that your application, the acceptance of your application and the contract resulting therefrom under the Open Offer shall be governed by, and construed in accordance with, the laws of England and Wales;
- (ii) confirm that in making the application you are not relying on any information or representation other than those contained in this Circular and the Application Form and you, accordingly, agree that no person responsible solely or jointly for this Circular or any part of it shall have any liability for any information or representation not contained in this Circular and that having had the opportunity to read this Circular you will be deemed to have notice of all the information concerning the Group contained within this Circular;
- (iii) represent and warrant that you are not citizen(s) or resident(s) of an Excluded Territory or any other jurisdiction in which the application for Open Offer Shares is prevented by law and are not applying on behalf of, or with a view to the re-offer, re-sale or delivery of Open Offer Shares directly or indirectly in, into or within an Excluded Territory or to a resident of an Excluded Territory or to any person you believe is purchasing or subscribing for the purpose of such re-offer, re-sale or delivery;
- (iv) represent and warrant that you are not otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares or acting on behalf of such person(s) on a non-discretionary basis; and
- (v) will also be asked whether or not you can represent and warrant as follows: (i) you have not received the Application Form or any other document relating to the Open Offer in an Excluded Territory, nor have you mailed, transmitted or otherwise distributed or forwarded any such document in or into an Excluded Territory; (ii) you are not and were not located in an Excluded Territory at the time you accepted the Application Form or at the time you returned the Application Form; and (iii) if you are acting in a fiduciary, agency or other capacity as an intermediary, then either (A) you have full investment discretion with respect to the Open Offer Shares covered by the Application Form or (B) the person on whose behalf you are acting was located outside an Excluded Territory at the time he or she instructed you to submit the Application Form.

If you are unable to provide such representations and warranties you will be deemed not to have validly submitted an application for Open Offer Shares, save in the discretion of the Company and subject to certain conditions.

You should note that applications will be irrevocable. The Company reserves the right (but shall not be obliged) to treat any application not strictly complying in all respects with the terms and conditions of application as nevertheless valid. If you do not wish to apply for Open Offer Shares under the Open Offer you should not complete or return the Application Form.

If you have any questions relating to the procedure for acceptance, please call the Shareholder Helpline on 0370 707 1017, if calling from within the UK, or on +44 370 707 1017, if calling from outside the UK. The Shareholder Helpline is open 9.00 a.m. to 5.30 p.m. (London time) Monday to Friday. Calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Issue nor give any financial, legal, business, tax or investment advice.

4.2 **Action to be taken if you have Open Offer Entitlements and Excess Open Offer Entitlements credited to your stock account in CREST in respect of your entitlement under the Open Offer**

(a) *General*

Save as provided in paragraph 6 of this Part IV in relation to certain Overseas Shareholders, each Qualifying CREST Shareholder will receive a credit to his stock account in CREST of his Open Offer Entitlements equal to the number of Open Offer Shares to which he is entitled under the Open Offer. Qualifying CREST Shareholders may also apply for Open Offer Shares in excess of their Open Offer Entitlement under the Excess Application Facility. Further details of Excess Offer Entitlements can be found in paragraph 4.2 of this Part IV.

The CREST stock account to be credited will be an account under the Participant ID and Member ID that apply to the Existing Ordinary Shares held on the Record Date by the Qualifying CREST Shareholder in respect of which the Open Offer Entitlements and Excess Open Offer Entitlements have been allocated.

If for any reason the Open Offer Entitlements cannot be admitted to CREST by, or the stock accounts of Qualifying CREST Shareholders cannot be credited by, 8.00 a.m. or such later time as the Company may decide, on 26 January 2016, an Application Form will be sent out to each Qualifying CREST Shareholder in substitution for the Open Offer Entitlements and Excess Open Offer Entitlements credited to his stock account in CREST. In these circumstances the expected timetable as set out in this Circular will be adjusted as appropriate and the provisions of this Circular applicable to Qualifying non-CREST Shareholders with Application Forms will apply to Qualifying CREST Shareholders who receive Application Forms.

Qualifying CREST Shareholders who wish to apply for some or all of their entitlements to Open Offer Shares (including any applications for Excess CREST Open Offer Entitlements) should refer to the CREST Manual for further information on the CREST procedures referred to below. If you have any questions relating to the procedure for acceptance, please call the Shareholder Helpline on 0370 707 1017, if calling from within the UK, or on +44 370 707 1017, if calling from outside the UK. The Shareholder Helpline is open 9.00 a.m. to 5.30 p.m. (London time) Monday to Friday. Calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Issue nor give any financial, legal, business, tax or investment advice.

If you are a CREST sponsored member you should consult your CREST sponsor if you wish to apply for Open Offer Shares as only your CREST sponsor will be able to take the necessary action to make this application in CREST.

(b) *Market Claims*

The Open Offer Entitlements and Excess Open Offer Entitlements will have a separate ISIN and constitute a separate security for the purposes of CREST. Although Open Offer Entitlements and Excess Open Offer Entitlements will be admitted to CREST and be enabled for settlement, applications in respect of Open Offer Entitlements and Excess Open Offer Entitlements may only be made by the Qualifying CREST Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim transaction. Transactions identified by the CREST Claims Processing Unit as “cum” the Open Offer Entitlement will generate an appropriate market claim transaction and the relevant Open Offer Entitlement(s) and Excess Open Offer Entitlement(s) will thereafter be transferred accordingly.

(c) *USE instructions*

Qualifying CREST Shareholders who wish to apply for Open Offer Shares in respect of all or some of their Open Offer Entitlements and Excess Open Offer Entitlements in CREST must send (or if they are CREST sponsored members, procure that their CREST sponsor sends) an Unmatched Stock Event (USE) instruction to Euroclear which, on its settlement, will have the following effect:

- (i) the crediting of a stock account of the Receiving Agent under the Participant ID and Member Account ID specified below, with the number of Open Offer Entitlements or Excess CREST Open Offer Entitlements corresponding to the number of Open Offer Shares applied for (subject to paragraph 4.2(j) of this Part IV); and

- (ii) the creation of a CREST payment in accordance with the CREST payment arrangements in favour of the payment bank of the Receiving Agent in respect of the amount specified in the USE instruction which must be the full amount payable on application for the number of Open Offer Shares or Excess Shares referred to in sub-paragraph (i) above.

The USE Instruction must be properly authenticated in accordance with Euroclear UK & Ireland's specifications and must contain, in addition to the other information that is required for settlement in CREST, the following details:

- (i) the number of Open Offer Shares for which application is being made (and hence the number of Excess CREST Open Offer Entitlement(s) being delivered to the Receiving Agent);

- (ix) the Corporate Action Number for the Open Offer, which will be available by viewing the relevant corporate action details in CREST.

In order for an application in respect of an Excess CREST Open Offer Entitlement under the Open Offer to be valid, the USE instruction must comply with the requirements as to authentication and contents set out above and must settle on or before 11.00 a.m. on 9 February 2016.

In order to assist prompt settlement of the USE instruction, CREST members (or their sponsors, where applicable) should add the following non-mandatory fields to their USE instruction:

- (x) a contact name and telephone number (in the free format shared note field); and
- (xi) a priority of at least 80.

CREST members and, in the case of CREST sponsored members, their CREST sponsors, should note that the last time at which a USE instruction may settle on 9 February 2016 in order to be valid is 11.00 a.m. on that day.

In the event that the Open Offer does not become unconditional by 8.00 a.m. on 11 February 2016 or such later time and date as the Company and N+1 Singer shall agree (being no later than 8.00 a.m. on 29 February 2016), the Open Offer will lapse, the Open Offer Entitlements and Excess Open Offer Entitlements admitted to CREST will be disabled and the Receiving Agent will refund the amount paid by a Qualifying CREST Shareholder by way of a CREST payment, without interest, within 14 days. The Open Offer cannot be revoked once all conditions have been satisfied.

(f) *Deposit of Open Offer Entitlements into, and withdrawal from, CREST*

A Qualifying non-CREST Shareholder's entitlement under the Open Offer as shown by the number of Open Offer Entitlements set out in his Application Form may be deposited into CREST (either into the account of the Qualifying Shareholder named in the Application Form or into the name of a person entitled by virtue of a *bona fide* market claim). Similarly, Open Offer Entitlements and Excess Open Offer Entitlements held in CREST may be withdrawn from CREST so that the entitlement under the Open Offer is reflected in an Application Form. Normal CREST procedures (including timings) apply in relation to any such deposit or withdrawal as are set out in the Application Form.

The holder of an Application Form who is proposing so to deposit the Open Offer Entitlements set out in such form is recommended to ensure that the deposit procedures are implemented in sufficient time to enable the person holding or acquiring the Open Offer Entitlements and Excess Open Offer Entitlements following their deposit into CREST to take all necessary steps in connection with taking up such entitlements prior to 11.00 a.m. on 9 February 2016.

In particular, having regard to normal processing times in CREST and on the part of the Registrars, the recommended latest time for depositing an Application Form with the CREST Courier and Sorting Service, where the person entitled wishes to hold the entitlement under the Open Offer set out in such Application Form as Open Offer Entitlements in CREST, is 3.00 p.m. on 4 February 2016, and the recommended latest time for receipt by Euroclear of a dematerialised instruction requesting withdrawal of Open Offer Entitlements and Excess Open Offer Entitlements from CREST is 4.30 p.m. on 3 February 2016, in either case so as to enable the person acquiring or (as appropriate) holding the Open Offer Entitlements and Excess Open Offer Entitlements following the deposit or withdrawal (whether as shown in an Application Form or held in CREST) to take all necessary steps in connection with applying in respect of the Open Offer Entitlements and Excess Open Offer Entitlements prior to 11.00 a.m. on 9 February 2016.

Delivery of an Application Form with the CREST deposit form duly completed whether in respect of a deposit into the account of the Qualifying non-CREST Shareholder named in the Application Form or into the name of another person, shall constitute a representation and warranty to the Company and the Registrar by the relevant CREST member(s) that it/they is/are not in breach of the provisions of the notes under the paragraph headed "Instructions for depositing entitlements under the Open Offer into CREST" on page 2 of the Application Form, and a declaration to the Company and the Registrar from the relevant CREST member(s) that it/they is/are not citizen(s) or resident(s) of an Excluded Territory and, where such deposit is made by a beneficiary of a market claim, a representation and warranty that the relevant CREST member(s) is/are entitled to apply under the Open Offer by virtue of a *bona fide* market claim.

(g) *Validity of application*

A USE instruction complying with the requirements as to authentication and contents set out above which settles by no later than 11.00 a.m. on 9 February 2016 will constitute a valid application under the Open Offer.

(h) *CREST procedures and timings*

CREST members and (where applicable) their CREST sponsors should note that Euroclear does not make available special procedures, in CREST, for any particular corporate action. Normal system timings and limitations will therefore apply in relation to the input of a USE instruction and its settlement in connection with the Open Offer. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST sponsored member, to procure that his CREST sponsor takes) such action as shall be necessary to ensure that a valid application is made as stated above by 11.00 a.m. on (a) 9 February 2016. In this connection CREST members and (where applicable) their CREST sponsors are referred in particular to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

(i) *Incorrect or incomplete applications*

If a USE instruction includes a CREST payment for an incorrect sum, the Company through the Receiving Agent reserves the right:

- (i) to reject the application in full and refund the payment to the CREST member in question;
- (ii) in the case that an insufficient sum is paid, to treat the application as a valid application for such lesser whole number of Open Offer Shares as would be able to be applied for with that payment at the Placing Price, refunding any unutilised sum to the CREST member in question (without interest); and
- (iii) in the case that an excess sum is paid, to treat the application as a valid application for all the Open Offer Shares referred to in the USE instruction refunding any unutilised sum to the CREST member in question (without interest).

(j) *The Excess Application Facility*

Provided that a Qualifying CREST Shareholder chooses to take up their Open Offer Entitlement in full, the Excess Application Facility enables Qualifying CREST Shareholders to apply for Open Offer Shares in excess of their Open Offer Entitlements. Each Qualifying CREST Shareholder will receive a credit to his stock account in CREST of Excess CREST Open Offer Entitlements equal to 10 times the total number of Existing Ordinary Shares held in such Qualifying Shareholder's name as at the Record Date. If Qualifying CREST Shareholders wish to apply for more than 10 times the total number of Existing Ordinary Shares held in such Qualifying Shareholder's name as at the Record Date, the Qualifying CREST Shareholder should contact Computershare on 0370 707 1017, if calling from within the UK, or on +44 370 707 1017, if calling from outside the UK, who will arrange for the additional Excess Shares to be credited to the relevant CREST account of the Qualifying CREST Shareholder. Any such applications will be granted at the absolute discretion of the Company.

If applications under the Excess Application Facility are received for more than the total number of Open Offer Shares available following take-up of Open Offer Entitlements, such applications will be scaled back *pro rata* to the number of Excess Shares applied for by Qualifying Shareholders under the

Excess Application Facility. An Excess CREST Open Offer Entitlement may not be sold or otherwise transferred. Subject as provided in paragraph 6 of this Part IV in relation to certain Overseas Shareholders, the CREST accounts of Qualifying CREST Shareholders will be credited with an Excess CREST Open Offer Entitlement in order for any applications for Excess Shares to be settled through CREST. The credit of such Excess CREST Open Offer Entitlement does not in any way give Qualifying CREST Shareholders a right to the Open Offer Shares attributable to the Excess CREST Open Offer Entitlement as an Excess CREST Open Offer Entitlement is subject to scaling back in accordance with the terms of this Circular.

To apply for Excess Shares pursuant to the Open Offer, Qualifying CREST Shareholders should follow the instructions above and must not return a paper form and cheque. Should a transaction be identified by the CREST Claims Processing Unit as “cum” the Open Offer Entitlement and the relevant Open Offer Entitlement(s) be transferred, the Excess CREST Open Offer Entitlements will not transfer with the Open Offer Entitlement(s) claim, but will be transferred as a separate claim. Should a Qualifying CREST Shareholder cease to hold all of his Existing Ordinary Shares as a result of one or more *bona fide* market claims, the Excess CREST Open Offer Entitlement credited to CREST, and allocated to the relevant Qualifying Shareholder, will be transferred to the purchaser. Please note that an additional USE instruction must be sent in respect of any application under the Excess CREST Open Offer Entitlement.

Should the Open Offer become unconditional and applications for Open Offer Shares by Qualifying Shareholders under the Open Offer exceed the number of Open Offer Shares being made available, resulting in a scale back of applications under the Excess Application Facility, each Qualifying CREST Shareholder who has made a valid application for Excess Shares under the Excess Application Facility, and from whom payment in full for the Excess Shares has been received, will receive a pounds sterling amount equal to the number of Open Offer Shares validly applied and paid for but which are not allocated to the relevant Qualifying CREST Shareholder multiplied by the Placing Price. Monies will be returned as soon as reasonably practicable, without payment of interest, and at the Applicant’s sole risk.

Fractions of Open Offer Shares will not be issued under the Excess Application Facility and fractions of Open Offer Shares will be rounded down to the nearest whole number, aggregated and made available under the Excess Application Facility.

(k) *Effect of valid application*

A CREST member who makes or is treated as making a valid application in accordance with the above procedures will thereby:

- (i) pay the amount payable on application in accordance with the above procedures by means of a CREST payment in accordance with the CREST payment arrangements (it being acknowledged that the payment to the Receiving Agent’s payment bank in accordance with the CREST payment arrangements shall, to the extent of the payment, discharge in full the obligation of the CREST member to pay to the Company the amount payable on application);
- (ii) request that the Open Offer Shares to which he will become entitled be issued to him on the terms set out in this Circular and subject to the Articles;
- (iii) agree that all applications and contracts resulting therefrom under the Open Offer shall be governed by, and construed in accordance with, the laws of England and Wales;
- (iv) represent and warrant that he is not applying on behalf of any Shareholder, who is a citizen or resident or which is a corporation, partnership or other entity created or organised in or under any laws of an Excluded Territory and he is not applying with a view to re-offering, re-selling, transferring or delivering any of the Open Offer Shares which are the subject of this application to, or for the benefit of, a Shareholder who is a citizen or resident or which is a corporation, partnership or other entity created or organised in or under any laws of an Excluded Territory nor acting on behalf of any such person on a non-discretionary basis nor (a) person(s) otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares under the Open Offer;
- (v) represent and warrant that he is not, nor is he applying as nominee or agent for, a person who is or may be liable to notify and account for tax under the Stamp Duty Reserve Tax Regulations

1986 at any of the increased rates referred to in Section 93 (depository receipts) or Section 96 (clearance services) of the Finance Act 1986;

- (vi) confirm that in making such application he is not relying on any information or representation other than those contained in this Circular and agrees that no person responsible solely or jointly for this Circular or any part thereof or involved in the preparation thereof, shall have any liability for any information or representation not contained in this Circular and further agree that having had the opportunity to read this Circular he will be deemed to have had notice of all the information concerning the Group contained therein; and
- (vii) represent and warrant that he is the Qualifying Shareholder originally entitled to the Open Offer Entitlements or that he has received such Open Offer Entitlements and Excess Open Offer Entitlements by virtue of a *bona fide* market claim.

(l) *Company's discretion as to rejection and validity of applications*

The Company may in its sole discretion:

- (i) treat as valid (and binding on the CREST member concerned) an application which does not strictly comply in all respects with the requirements as to validity set out or referred to in this paragraph 4 of this Part IV;
- (ii) accept an alternative properly authenticated, dematerialised instruction from a CREST member or (where applicable) a CREST sponsor as constituting a valid application in substitution for or in addition to a USE instruction and subject to such further terms and conditions as the Company may determine;
- (iii) treat a properly authenticated dematerialised instruction (in this sub-paragraph the first instruction) as not constituting a valid application if, at the time at which the Registrar receives a properly authenticated dematerialised instruction giving details of the first instruction or thereafter, either the Company or the Receiving Agent have received actual notice from Euroclear of any of the matters specified in Regulation 35(5)(a) of the CREST Regulations in relation to the first instruction. These matters include notice that any information contained in the first instruction was incorrect or notice of lack of authority to send the first instruction; and
- (iv) accept an alternative instruction or notification from a CREST member or CREST sponsored member or (where applicable) a CREST sponsor, or extend the time for settlement of a USE instruction or any alternative instruction or notification, in the event that for reasons or due to circumstances outside the control of any CREST member or CREST sponsored member or (where applicable) CREST sponsor, the CREST member or CREST sponsored member is unable validly to apply for Open Offer Shares by means of the above procedures. In normal circumstances, this discretion is only likely to be exercised in the event of any interruption, failure or breakdown of CREST (or any part of CREST) or on the part of the facilities and/or systems operated by the Registrar in connection with CREST.

If you have any doubt as to the procedure for acceptance and payment you should contact Computershare on 0370 707 1017, if calling from within the UK, or on +44 370 707 1017, if calling from outside the UK. The Shareholder Helpline is open 9.00 a.m. to 5.30 p.m. (London time) Monday to Friday. Calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Issue nor give any financial, legal, business, tax or investment advice.

(m) *Issue of Open Offer Shares in CREST*

Open Offer Entitlements and Excess Open Offer Entitlements held in CREST are expected to be disabled in all respects after the close of business on 9 February 2016. If the conditions to the Open Offer described above are satisfied, Open Offer Shares will be issued in uncertificated form to those persons who submitted a valid application for Open Offer Shares by utilising the CREST application procedures and whose applications have been accepted by the Company on the day on which such conditions are satisfied. On this day, the Receiving Agent will instruct Euroclear to credit the appropriate stock accounts of such persons with such persons' Open Offer Entitlements with effect from the next business day. The stock accounts to be credited will be accounts under the same Participant IDs and Member Account IDs in respect of which the USE instruction was given.

5. Money Laundering Regulations

5.1 Holders of Application Forms

It is a term of the Open Offer that, in order to ensure compliance with the Money Laundering Regulations (the **Regulations**), the Registrar may require verification of the identity of the person by whom or on whose behalf an Application Form is lodged with payment (which requirements are referred to below as the “verification of identity”).

The verification of identity requirements pursuant to the Regulations will apply to applications with a value of €15,000 (or its Pound Sterling equivalent) or greater, or to one of a series of linked applications whose aggregate value exceeds that amount, and in the case of such applications verification of the identity of Applicant(s) for Open Offer Shares may be required.

If within a reasonable period of time following a request, for verification of identity, but in any event by 11.00 a.m. on 9 February 2016, the Receiving Agent has not received evidence satisfactory to it, the Company may, in its absolute discretion, elect not to treat as valid the relevant application, in which event the money payable or paid in respect of the application will be returned (without interest and at the Applicant’s risk) to the account of the drawee bank or building society from which sums were originally debited (but in each case without prejudice to any rights the Company may have to take proceedings in respect of loss or damage suffered or incurred by it as a result of the failure to produce satisfactory evidence as aforesaid).

In order to avoid this, payment should be made by means of a cheque drawn by and in the name of the Applicant named on the accompanying Application Form or (where an Application Form has been transferred and/or split to satisfy *bona fide* market claims in relation to transfers of Existing Ordinary Shares through the market prior to 3.00 p.m. on 5 February 2016), by the person named in Box K on the Application Form. If this is not practicable and the Applicant uses a cheque drawn on a building society or a banker’s draft, the Applicant should:

- (a) ask the building society or bank to endorse on the cheque or draft the name and account number of the person whose building society or bank account is being debited which must be the same name as that printed on the Application Form, such endorsement being validated by a stamp and authorised signature by the building society or bank on the reverse of the cheque or banker’s draft;
- (b) if the Applicant is making the application as agent for one or more persons, indicate on the Application Form whether it is a United Kingdom or European Union regulated person or institution (e.g. a bank or broker), and specify its status. If you have any questions relating to the procedure for acceptance, please telephone Computershare on 0370 707 1017, if calling from within the UK, or on +44 370 707 1017, if calling from outside the UK. The Shareholder Helpline is open 9.00 a.m. to 5.30 p.m. (London time) Monday to Friday. Calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Issue nor give any financial, legal, business, tax or investment advice;
- (c) if the Applicant delivers the Application Form by hand, bring with them the appropriate photographic evidence of identity, such as a passport or driving licence; and
- (d) third party cheques may not be accepted unless covered by (a) above.

In any event, if it appears to the Receiving Agent that an Applicant is acting on behalf of some other person, further verification of the identity of any person on whose behalf the Applicant appears to be acting will be required.

Neither the Receiving Agent, nor the Company will be liable to any person for any loss suffered or incurred as a result of the exercise of any discretion to require verification. By lodging an Application Form, each Qualifying Shareholder undertakes to provide evidence of his identity at the time of lodging the Application Form, or, at the absolute discretion of the Company and N+1 Singer, at such specified time thereafter as may be required to ensure compliance with the Regulations.

5.2 Open Offer Entitlements and Excess Open Offer Entitlements in CREST

If you hold your Open Offer Entitlements or Excess Open Offer Entitlements in CREST and apply for Open Offer Shares in respect of all or some of your Open Offer Entitlements (and Excess Open Offer

Entitlements) as agent for one or more persons and you are not a United Kingdom or European Union regulated person or institution (e.g. a United Kingdom financial institution), then, irrespective of the value of the application, the Receiving Agent is obliged to take reasonable measures to establish the identity of the person or persons on whose behalf you are making the application. You must therefore contact the Receiving Agent before sending any USE or other instruction so that appropriate measures may be taken.

Submission of a USE instruction which on its settlement constitutes a valid application as described above constitutes a warranty and undertaking by the Applicant to provide promptly to the Receiving Agent such information as may be specified by the Receiving Agent as being required for the purposes of the Regulations. Pending the provision of evidence satisfactory to the Receiving Agent as to identity, the Receiving Agent may in its absolute discretion take, or omit to take, such action as it may determine to prevent or delay issue of the Open Offer Shares concerned. If satisfactory evidence of identity has not been provided within a reasonable time, then the application for the Open Offer Shares represented by the USE instruction will not be valid. This is without prejudice to the right of the Company to take proceedings to recover any loss suffered by it as a result of any failure to provide satisfactory evidence.

6. Overseas Shareholders

6.1 General

The distribution of this Circular and the Application Form and the making or acceptance of the Open Offer to persons who have registered addresses in, or who are resident or ordinarily resident in, or citizens of, or which are corporations, partnerships or other entities created or organised under the laws of countries other than the United Kingdom or to persons who are nominees of or custodians, trustees or guardians for citizens, residents in or nationals of, countries other than the United Kingdom may be affected by the laws or regulatory requirements of the relevant jurisdictions. Those persons should consult their professional advisers as to whether they require any governmental or other consents or need to observe any applicable legal requirement or other formalities to enable them to apply for Open Offer Shares under the Open Offer. The comments set out in this paragraph 6 are intended as a general guide only and any Overseas Shareholders who are in any doubt as to their position should consult their professional advisers without delay.

No action has been or will be taken by the Company or any other person, to permit a public offering or distribution of this Circular (or any other offering or publicity materials or Application Form(s) in any jurisdiction where action for that purpose may be required, other than in the United Kingdom.

Application Forms will not be sent to and Open Offer Entitlements and Excess Open Offer Entitlements will not be credited to a stock account in CREST of persons with registered addresses in an Excluded Territory or their agent or intermediary, except where the Company is satisfied that such action would not result in the contravention of any registration or other legal requirement in any jurisdiction.

No person receiving a copy of this Circular and/or an Application Form and/or a credit of Open Offer Entitlements and/or a credit of Excess Open Offer Entitlements to a stock account in CREST in any territory other than the United Kingdom may treat the same as constituting an invitation or offer to him or her nor should he or she in any event use any such Application Form and/or credit of Open Offer Entitlements and/or a credit of Excess Open Offer Entitlements to a stock account in CREST unless, in the relevant territory, such an invitation or offer could lawfully be made to him or her and such Application Form and/or credit of Open Offer Entitlements and/or a credit of Excess Open Offer Entitlements to a stock account in CREST could lawfully be used, and any transaction resulting from such use could be effected, without contravention of any registration or other legal or regulatory requirements. In circumstances where an invitation or offer would contravene any registration or other legal or regulatory requirements, this Circular and/or the Application Form must be treated as sent for information only and should not be copied or redistributed.

It is the responsibility of any person (including, without limitation, custodians, agents, nominees and trustees) outside the United Kingdom wishing to apply for Open Offer Shares under the Open Offer to satisfy himself or herself as to the full observance of the laws of any relevant territory in connection therewith, including obtaining any governmental or other consents that may be required, observing

any other formalities required to be observed in such territory and paying any issue, transfer or other taxes due in such territory. Neither the Company, nor any of its respective representatives, is making any representation to any offeree or purchaser of the Open Offer Shares regarding the legality of an investment in the Open Offer Shares by such offeree or purchaser under the laws applicable to such offeree or purchaser.

Persons (including, without limitation, custodians, agents, nominees and trustees) receiving a copy of this Circular and/or an Application Form and/or a credit of Open Offer Entitlements and/or a credit of Excess Open Offer Entitlements to a stock account in CREST in connection with the Open Offer or otherwise, should not distribute or send either of those documents nor transfer Open Offer Entitlements or Excess Open Offer Entitlements in or into any jurisdiction where to do so would or might contravene local securities laws or regulations. If a copy of this Circular and/or an Application Form and/or a credit of Open Offer Entitlements and/or a credit of Excess Open Offer Entitlements to a stock account in CREST is received by any person in any such territory, or by his or her custodian, agent, nominee or trustee, he or she must not seek to apply for Open Offer Shares in respect of the Open Offer unless the Company determines that such action would not violate applicable legal or regulatory requirements. Any person (including, without limitation, custodians, agents, nominees and trustees) who does forward a copy of this Circular and/or an Application Form and/or transfers Open Offer Entitlements and/or a credit of Excess Open Offer Entitlements into any such territory, whether pursuant to a contractual or legal obligation or otherwise, should draw the attention of the recipient to the contents of this Part IV and specifically the contents of this paragraph 6.

The Company reserves the right, but shall not be obliged, to treat as invalid any application or purported application for Open Offer Shares that appears to the Company or its agents to have been executed, effected or dispatched from an Excluded Territory or in a manner that may involve a breach of the laws or regulations of any jurisdiction or if the Company or its agents believe that the same may violate applicable legal or regulatory requirements or if it provides an address for delivery of the share certificates of Open Offer Shares or, in the case of a credit of an Open Offer Entitlement (and/or a credit of Excess Open Offer Entitlements) to a stock account in CREST, to a member whose registered address would be in an Excluded Territory or any other jurisdiction outside the United Kingdom in which it would be unlawful to deliver such share certificates or make such a credit.

The attention of Overseas Shareholders is drawn to paragraphs 6.3 to 6.5 below.

Notwithstanding any other provision of this Circular or the Application Form, the Company reserves the right to permit any person to apply for Open Offer Shares in respect of the Open Offer if the Company, in its sole and absolute discretion, is satisfied that the transaction in question is exempt from, or not subject to, the legislation or regulations giving rise to the restrictions in question.

Overseas Shareholders who wish, and are permitted, to apply for Open Offer Shares should note that payment must be made in sterling denominated cheques or banker's drafts. The Open Offer Shares have not been and will not be registered under the relevant laws of any Excluded Territory or any state, province or territory thereof and may not be offered, sold, resold, transferred, delivered or distributed, directly or indirectly, in or into any Excluded Territory or to, or for the account or benefit of, any person with a registered address in, or who is resident or ordinarily resident in, or a citizen of, any Excluded Territory except pursuant to an applicable exemption.

No public offer of Open Offer Shares is being made by virtue of this Circular or the Application Forms into any Excluded Territory. Receipt of this Circular and/or an Application Form and/or a credit of an Open Offer Entitlement and/or a credit of Excess Open Offer Entitlements to a stock account in CREST will not constitute an invitation or offer of securities for subscription, sale or purchase in those jurisdictions in which it would be illegal to make such an invitation or offer and, in those circumstances, this Circular and/or the Application Form must be treated as sent for information only and should not be copied or redistributed.

6.2 **United States**

None of the New Ordinary Shares, the Open Offer Entitlements or the Excess Open Offer Entitlements have been or will be registered under the US Securities Act or the laws of any state or other jurisdiction of the United States and, therefore, the New Ordinary Shares and the Open Offer Entitlements and the

Excess Open Offer Entitlements may not be directly, or indirectly, offered for subscription or purchase, taken up, sold, delivered, renounced or transferred in or into the United States except pursuant to an applicable exemption from the registration requirements of the US Securities Act and in compliance with any applicable securities laws of any state or other jurisdiction of the United States.

Accordingly, the Company is not extending the Open Offer into the United States and, subject to certain exceptions, none of this Circular, the Application Forms or the crediting of Open Offer Entitlements (or Excess Open Offer Entitlements) to a stock account in CREST constitutes or will constitute an offer or an invitation to apply for an offer or an invitation to subscribe for any New Ordinary Shares in the United States. Neither this Circular nor an Application Form will (unless an address within the United Kingdom for services of notices has been notified to the Company) be sent to, and no Open Offer Entitlements (or Excess Open Offer Entitlements) will be credited to, a stock account in CREST of any Qualifying Shareholder with a registered address in the United States. Subject to certain exceptions, Application Forms sent from, or post-marked in, the United States will be deemed to be invalid and all persons subscribing for New Ordinary Shares and wishing to hold such New Ordinary Shares in registered form must provide an address for registration of the New Ordinary Shares outside the United States.

6.3 ***Other Excluded Territories***

Due to restrictions under the securities laws of the Excluded Territories and subject to certain exemptions, Qualifying Shareholders who have registered addresses in, or who are resident or ordinarily resident in, or citizens of, any Excluded Territories will not qualify to participate in the Open Offer and will not be sent an Application Form, nor will their stock accounts in CREST be credited with Open Offer Entitlements or Excess Open Offer Entitlements.

The Open Offer Shares have not been and will not be registered under the relevant laws of any Excluded Territory or any state, province or territory thereof and may not be offered, sold, re-sold, delivered or distributed, directly or indirectly, in or into any Excluded Territory or to, or for the account or benefit of, any person with a registered address in, or who is resident or ordinarily resident in, or a citizen of, any Excluded Territory except pursuant to an applicable exemption.

No offer of Open Offer Shares is being made by virtue of this Circular or the Application Forms into any Excluded Territory.

6.4 ***Other overseas territories***

Application Forms will be sent to Qualifying non-CREST Shareholders and an Open Offer Entitlement will be credited to the stock account in CREST of Qualifying CREST Shareholders in other overseas territories. Qualifying Shareholders in jurisdictions other than any Excluded Territory may, subject to the laws of their relevant jurisdiction, take up Open Offer Shares under the Open Offer in accordance with the instructions set out in this Circular and, if relevant, the Application Form.

Qualifying Shareholders who have registered addresses in or who are located or resident in, or who are citizens of, countries other than the United Kingdom should consult their professional advisers as to whether they require any governmental or other consents or need to observe any other formalities to enable them to apply for Open Offer Shares in respect of the Open Offer.

6.5 ***Representations and warranties relating to Overseas Shareholders***

(a) ***Qualifying non-CREST Shareholders***

Any person completing and returning an Application Form or requesting registration of the Open Offer Shares comprised therein represents and warrants to the Company and/or the Receiving Agent that, except where proof has been provided to the Company's satisfaction that such person's use of the Application Form will not result in the contravention of any applicable legal requirements in any jurisdiction: (i) such person is not requesting registration of the relevant Open Offer Shares from within an Excluded Territory; (ii) such person is not in any territory in which it is unlawful to make or accept an offer to subscribe for Open Offer Shares in respect of the Open Offer or to use the Application Form in any manner in which such person has used or will use it; (iii) such person is not acting on a nondiscretionary basis on behalf of, a person located within an Excluded Territory or any territory referred to in (ii) above at the time the instruction to accept was given; and (iv) such person is not subscribing for Open Offer Shares with a view to the offer, sale, re-sale, transfer, delivery or distribution,

directly or indirectly, of any such Open Offer Shares into an Excluded Territory or any territory referred to in (ii) above. The Company and/or the Receiving Agent may treat as invalid any acceptance or purported acceptance of the allotment of Open Offer Shares comprised in an Application Form if it: (i) appears to the Company or its agents to have been executed, effected or despatched from an Excluded Territory or in a manner that may involve a breach of the laws or regulations of any jurisdiction or if the Company or its agents believe that the same may violate applicable legal or regulatory requirements; (ii) provides an address in any Excluded Territory for delivery of the share certificates of Open Offer Shares (or any other jurisdiction outside the United Kingdom in which it would be unlawful to deliver such share certificates); or (iii) purports to exclude the warranty required by this paragraph (a).

(b) *Qualifying CREST Shareholders*

A CREST member who makes a valid application either on its own behalf or on behalf of one of its clients in accordance with the procedures set out in this Part IV represents and warrants to the Company that, except where proof has been provided to the Company's satisfaction that such person's acceptance will not result in the contravention of any applicable legal requirement in any jurisdiction: (i) neither it nor its client is within an Excluded Territory; (ii) neither it nor its client is in any territory in which it is unlawful to make or accept an offer to subscribe for Open Offer Shares; (iii) it is not accepting on a non-discretionary basis on behalf of, or for the account or benefit of, a person located within an Excluded Territory or any territory referred to in (ii) above at the time the instruction to accept was given; and (iv) neither it nor its client is subscribing for any Open Offer Shares with a view to the offer, sale, resale, transfer, delivery or distribution, directly or indirectly, of any such Open Offer Shares into an Excluded Territory, or any territory referred to in (ii) above. The Company reserves the right to reject any USE instruction from an Excluded Territory or any territory referred to in (ii) above or by a CREST participant who is acting on a non-discretionary basis on behalf of a person located within an Excluded Territory or any territory referred to in (ii) above.

7. Governing law and jurisdiction

The terms and conditions of the Open Offer as set out in this Circular shall be governed by, and construed in accordance with, the laws of England and Wales. The courts of England and Wales are to have exclusive jurisdiction to settle any dispute which may arise out of or in connection with the Open Offer including, without limitation, disputes relating to any non-contractual obligations arising out of or in connection with the Open Offer. By taking up Open Offer Shares under the Open Offer in accordance with the instructions set out in this Circular, Qualifying Shareholders irrevocably submit to the jurisdiction of the courts of England and Wales and waive any objection to proceedings in any such court on the ground of venue or on the ground that proceedings have been brought in an inconvenient forum.

8. Further information

Notes:

1. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A form of proxy which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a form of proxy and believe that you should have one, or if you require additional forms, please contact Computershare Investor Services PLC on +44 (0370) 707 1017.
2. To be valid any form of proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY no later than 10.00 a.m., on 8 February 2016. In the case of a member which is a company, the form of proxy must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the form of proxy is signed (or a duly certified copy of such power or authority) must be included with the form of proxy.
3. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
4. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off times for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. Where you have appointed a proxy using the hard copy form of proxy and would like to change the instructions using another hard copy form of proxy, please contact Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
5. In order to revoke a proxy instruction, you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY. In the case of a member which is a Company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the Company or an attorney for the Company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY no later than 10.00 a.m. on 8 February 2016. If you attempt to revoke your proxy appointment but the

revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

6. The return of a completed form of proxy, other such instrument or any CREST Proxy Instruction (as described in Note 9 below) will not prevent a shareholder attending the General Meeting and voting in person if he/she wishes to do so.
7. To be entitled to attend and vote at the General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register at 6.00 p.m. on 8 February 2016 (or, in the event of any adjournment, 48 hours before the adjourned meeting (excluding any part of a day that is not a Business Day)). Changes to the Register after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by 10.00 a.m. on 8 February 2016. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
