**Significant new customer contract win**

- Value of approximately £3m over three years with further upside potential
- Largest managed services contract since CloudCoCo was formed in 2018

CloudCoCo (AIM: CLCO), a leading UK provider of managed IT services and communications solutions to private and public sector organisations, is pleased to announce it has been awarded a multi-year contract with a new customer in the digital transformation services industry.

The contract is valued at approximately £3m over a period of three years with further upside potential. It is the largest managed services contract signed by the Company since CloudCoCo was formed in April 2018 and will see the customer receive a high availability hosted cloud platform solution tailored to its needs and managed 24/7 by CloudCoCo's team of experts.

**Mark Halpin, CEO of CloudCoCo, said:**

*"It has been a busy few months from an M&A perspective, so I'm delighted to be able to follow that activity with a new business win of this magnitude. We look forward to working with our new customer to take their IT infrastructure to the next level."*

**Simon Duckworth, Non-Executive Chairman of CloudCoCo, added:**

*"This agreement is a great example of our focus on landing larger and longer contracts that provide greater visibility of revenues paying off. We now have the right infrastructure and team in place to pursue more of these kinds of opportunities, and are confident of making continued commercial progress."*
